Equipment Operator Needed

City of Ketchum, Idaho
Starting October 1, 2017

The city of Ketchum, Idaho is recruiting an Equipment Operator to join the city Street Division. The position is full time with benefits position. This position reports directly to the Street Operation Supervisor or Superintendent. The ideal candidate is required to operate a variety of light- and heavy-duty equipment and will perform miscellaneous labor duties for maintenance projects on city streets, alleys and storm drains. The qualified candidate will be professional, courteous and possess the ability to work and communicate well with the street crew, city departments and the public.

MINIMUM QULIFICATIONS: two years' experience in safe equipment operation or passing results in the city's practical test. Qualified candidates must possess a valid Idaho driver's license and will be required to demonstrate safe driving practices for heavy equipment as part of the interview process.

Starting wage is \$17.00-\$22.00 per hour.

Applications are available online on our website at ketchumidaho.org or at City Hall located at 480 East Ave. N., Ketchum. Send application to Brian Christiansen, Ketchum Street Superintendent, P.O Box 2315, Ketchum ID 83340 or email to srubel@ketchumidaho.org.
