Lhtact² Workshop Schedule FY2015

This fall the LHTAC staff will travel to all 6 ITD Districts and present a half-day workshop overviewing our programs. This year we've added two extra stops in New Meadows and Challis in an effort to reach more jurisdictions. Our presentations will focus on applications and how to submit a successful package. We have also added a brief presentation on how to properly fill out your Road and Street Financial Report.

Please Plan to Attend!
