

# Tribal Planning

## July 11-15

### 28th Annual Summer Tribal Planning Institute

Presented by:  
Northwest Tribal Technical Assistance Program  
and EWU Tribal Planning Program

This weeklong workshop will describe tribal government history, legal foundations of sovereignty for tribal planning, tribal strategic planning including comprehensive plan for Tribal Government and land use controls.

The model for tribal planning is the development of tribal-specific planning as a unique and dynamic process which uses some of the tools of non-tribal planning, then expands from a base of tribal sovereignty and Contemporary Tribal Planning Practices.
