

Ensuring Environmental Justice

FREE training for Local Agencies and Environmental Practitioners

ENVIRONMENTAL JUSTICE (EJ) provides for the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income. Local Agencies should actively engage impacted populations in the development, implementation, and enforcement of environmental laws, regulations, and policies.

Participants Will Learn:

- What is Environmental Justice in Idaho
- How to apply EJ principles
- Using EJ Screen and other tools
- What EPA grant funds are available to local agencies and non-profits
