

## Projects in Design/Development (Updated Quarterly)

### **E Idaho St & Holly Ave, Sponsor: City of New Plymouth Key # 10555**

**Description:** This project will rehabilitate and widen 3,350 ft. of roadway surface to three-lanes and construct new sidewalk, curb and gutter, and storm water drainage system in the City of New Plymouth and Payette County.

**Status:** Project is currently in Final Design. The Final Design Submittal has been received and reviewing submittal is underway.

**Project Manager:** Wayne Herbel

**Construction Year:** 2017

### **W 9th St: Pioneer-W Indianhead Rd, Sponsor: City of Weiser Key # 12049**

**Description:** This project will develop plans and specifications for the intersection alignment, pavement maintenance or pavement rehabilitation services. It will replace a functionally obsolete one-lane bridge. The project may include minor widening and right-of-way acquisition.

**Status:** This project is currently in process of concept development and environmental documentation. The Draft Concept Report has been submitted and is being reviewed.

**Project Manager:** Wayne Herbel

**Construction Year:** 2019

### **South 18th St E: 6th to American Legion Blvd, Sponsor: City of Mountain Home Key # 12382**

**Description:** This project will consist of reconstructing the roadway to facilitate a three-lane section, bike lanes, curb, gutter, and sidewalk between 6th Street and American Legion Blvd.

**Status:** Final Design Review for this project is complete. The consultant is working on revisions to prepare the PS&E submittal. This is anticipated to occur in January, 2017.

**Project Manager:** Wayne Herbel

**Construction Year:** 2018

### **Farmway Rd/Highway 44, Sponsor: Notus-Parma HD Key # 13054**

**Description:** This project consists of repairing a deteriorating truck bypass route by reconstructing approximately 0.62 miles of the Hwy 44 extension to Farmway Road and improve the surface of approximately 0.87 miles of Farmway Road. It includes installation of guardrail on two concrete bridge crossings over canals.

**Status:** This project's PS&E package has been submitted to ITD as of September 12, 2016. Currently waiting for funding to advance project from FY2018.

**Project Manager:** Wayne Herbel

**Construction Year:** 2018

### **10th Ave Bridge, Sponsor: City of Caldwell Key # 13055**

**Description:** This project consists of removing and replacing an existing deteriorating bridge over Indian Creek on 10th Avenue in Caldwell.

**Status:** This project is currently working on the Preliminary Design and environmental documentation.

**Project Manager:** Wayne Herbel

**Construction Year:** 2018

### **E Lake Fork Rd Br, Sponsor: Valley County Key # 13056**

**Description:** This project consists of removing and replacing the East Lake Fork Road Bridge.

**Status:** The PS&E package has been submitted by the Consultant and is ready for submittal to ITD. The project is currently waiting for funding to advance the project from FY2018.

**Project Manager:** Wayne Herbel

**Construction Year:** 2019

**S. Johns Street Improvements, Sponsor: City of Emmett Key # 13493**

**Description:** This project is located in the City of Emmett on S. Johns Avenue between 4th Street and 12th Street and will consist of reconstruction of S. Johns Avenue of the roadway asphalt, base materials, sidewalk, curb/gutter, and storm water improvements.

**Status:** The project is currently developing Preliminary Design Plans. The Environmental Document was approved on 10/25/2016.

**Project Manager:** Wayne Herbel

**Construction Year:** 2021

**Old Hwy 30/Plymouth St Bridge Replacement, Sponsor: Canyon HD Key # 13494**

**Description:** This project will replace the existing bridge.

**Status:** This project is currently working on the Concept Report. The sponsor is working with the consultant to determine the preferred alignment.

**Project Manager:** Wayne Herbel

**Construction Year:** 2022

**Peckham Road Rehabilitation, Sponsor: Golden Gate HD Key # 13964**

**Description:** The proposed roadside improvements will increase pedestrian safety and promote traffic in the city.

**Status:** This project is currently working on the Concept Report. The Concept report has been received and review of the submittal is in progress.

**Project Manager:** Wayne Herbel

**Construction Year:** 2020

**Northside Blvd Signals, Sponsor: City of Nampa Key # 18702**

**Description:** This safety improvement project will install traffic signal crash reduction countermeasures at two traffic signals on Northside Boulevard.

**Status:** The project is currently waiting on Final Permits/Agreements for submittal to ITD and obligation of funds.

**Project Manager:** Kevin Kuther

**Construction Year:** 2017

**Cherry Ln, Linder Rd/Meridian Rd, Sponsor: Ada County HD Key # 18717**

**Description:** This project will use Safety funds to install continuous street lighting on Cherry Lane, between Linder Road and Meridian Road. This segment of roadway is part of the Fairview Corridor and vehicle traffic is projected to increase in the years to come. This street lighting project will improve driver safety and reduce nighttime accidents by up to 4.8%.

**Status:** The project is currently waiting on Final Permits/Agreements for submittal to ITD and obligation of funds.

**Project Manager:** Wayne Herbel

**Construction Year:** 2017

**Simco Road Delineators, Sponsor: Mountain Home HD Key # 19090**

**Description:** This project includes improving Simco Road from I-84 to Grand View Road by installing delineators along the roadway.

**Status:** The project is in process of Final Design and environmental documentation.

**Project Manager:** Kevin Kuther

**Construction Year:** 2017

### **Cove Rd Bridge, Sponsor: Washington County Key # 19129**

**Description:** The existing bridge is located on a major collector which serves as the main route west from Weiser along the south side of the Weiser River. The bridge serves as the emergency access route in the event of a temporary closure of the US 95 bridge over the Weiser River which is located approximately 3/4-mile west of the subject structure and results in a 2.75-mile detour. The Cove Road Weiser River Bridge is a 97-year old three-span steel truss structure. The bridge is posted as one-lane and has severe weight restrictions. The superstructure and substructure are both in poor condition with an overall sufficiency rating of 23.3. The width and load restrictions of this structure force agricultural truck traffic to and from the southwest side of Weiser to detour onto US95. This project will design a bridge replacement.

**Status:** The consultant selection process is in progress. The RFP has been advertised and closed on December 20, 2017.

**Project Manager:** Wayne Herbel

**Construction Year:** 2021

### **Overland Rd & Vista Ave Lighting, Sponsor: Ada County HD Key # 19387**

**Description:** This project includes installing street lighting on the north and east legs of the Vista Avenue/Overland Road intersection to improve driver safety and reduce nighttime crashes.

**Status:** This project advertised on 1/2/2017 and 1/9/2017 with a scheduled bid opening on 1/24/2017.

**Project Manager:** Kevin Kuther

**Construction Year:** 2017

### **12th Ave S; Sherman to Dewey Beacons, Sponsor: City of Nampa Key # 19396**

**Description:** This project includes installing a pedestrian hybrid beacon on 12th Avenue South (SH 45) at a location between Sherman Avenue and Dewey Avenue. These improvements will increase driver awareness and protect pedestrians and bicyclists with the following improvements: 1) Pedestrian Hybrid Beacon; 2) Lighting; 3) Automatic Pedestrian Signals (APS); 4) Compliant Pedestrian Ramps and 5) Signage & Striping.

**Status:** The project is in the process of Final Design and environmental documentation.

**Project Manager:** Kevin Kuther

**Construction Year:** 2017

### **Cole Road; Spectrum to S Century Way Medians, Sponsor: Ada County HD Key # 19685**

**Description:** This project includes installing a raised concrete median to replace the existing temporary median on Cole Road between Spectrum Street and South Century Way. The raised concrete will better delineate the median, the left turn pockets and reduce crashes.

**Status:** The project is currently waiting on Final Permits/Agreements for submittal to ITD and obligation of funds.

**Project Manager:** Kevin Kuther

**Construction Year:** 2017

### **Old Hwy 30; Goodson to Oasis, Sponsor: Canyon HD Key # 19951**

**Description:** The project will rehabilitate approximately 3.4 miles of Old Highway 30, a major rural collector serving northern Canyon County, as well as southern Payette and Gem Counties. This is the final phase of rehabilitating Old Highway 30 from the vicinity of Caldwell to Payette County.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently.

**Project Manager:** Wayne Herbel

**Construction Year:** 2022

### **Sand Hollow Rd; SH52 to BI Canyon, Sponsor: Payette County Key # 20019**

**Description:** This is phase 2 of the improvements on Sand Hollow Road. This phase is 4.7 miles (from Black Canyon Road to Oasis Road). The project includes rehabilitating asphalt pavement (pavement repair and overlay) and upgrading guardrail at existing structures.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2022

### **Ola Hwy; Powerline Rd to 2nd Ford Rd, Sponsor: Gem County Key # 20100**

**Description:** The Ola Highway Improvement project is located near the unincorporated Community of Ola in Gem County is anticipated to overlay two miles of existing pavement and pave three miles of existing gravel road to keep paved roads good and also to pave a road which exceeds the ADT for a gravel type surface.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. We currently are waiting for design funding.

**Project Manager:** Bryan Martin

**Construction Year:** 2022

### **Mission St; Scl to Deinhard Ln, Sponsor: City of McCall Key # 20146**

**Description:** The Mission Street Rehabilitation project is located in the City of McCall in Valley County is anticipated to include the removal of the existing asphalt surface, widening of the road section, verifying the structural integrity of the base and sub-base, new asphalt pavement, striping, utility relocations and the installation of storm water conveyance and treatment systems to improve the condition of the roadway.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. We currently are waiting for design funding.

**Project Manager:** Bryan Martin

**Construction Year:** 2022

### **Strike Dam Rd Imprv, Sponsor: Mountain Home HD Key # 20162**

**Description:** This project will improve the sight distances for the safety of motorists. This section of roadway includes improving safety features within five steep grades located between M.P. 100.8 to M.P. 104.1. Blasting is to improve the vertical and horizontal alignment of the road. The roadway will be constructed back to the existing gravel section.

**Status:** Funds to start Project Development are anticipated to be obligated in FY2018.

**Project Manager:** Kevin Kuther

**Construction Year:** 2020

### **Int Smith Ave & Middleton Rd Signal, Sponsor: City of Nampa Key # 20167**

**Description:** The project will install a traffic signal at the intersection of Smith Avenue and Middleton Road. The project will install crash reduction countermeasures to increase driver awareness, protect pedestrians, improve intersection efficiency and enhance vehicle safety. Improvements include a traffic signal, pedestrian facilities, street lighting, lane widening and the installation of turn lanes.

**Status:** Funds to start Project Development are anticipated to be obligated in FY2018.

**Project Manager:** Kevin Kuther

**Construction Year:** 2020

### **Old Hwy 30; Old Oregon Trail Rd To E 54th S St, Sponsor: Mountain Home HD Key # 20182**

**Description:** This project intends to rehabilitate approximately 2.1 miles of Old Hwy 30 from the intersection of Old Oregon Trail Road to the Glens Ferry Highway District line. The project will also include minor shoulder improvements to the roadway.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently.

**Project Manager:** Wayne Herbel

**Construction Year:** 2022

**Eastside Dr Br, Sponsor: Valley County Key # 20230**

**Description:** The East Lake Fork Road project is located north of the City of Donnelly in Valley County and includes widening the 0.55 mile section of roadway, lessen the vertical grade near the SH55 intersection, replace deteriorated culverts at and irrigation canal crossing, acquire ROW and mitigate wetland impacts adjacent to the roadway.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. We currently are waiting for design funding.

**Project Manager:** TBD

**Construction Year:** 2022

**E Lake Fk Rd; E Lake Fk Cr Br to SH55, Sponsor: Valley County Key # 20242**

**Description:** This is a rehabilitation project of 0.55 mile long on East Lake Fork Road between Lake Fork Creek Bridge and intersection with SH 55.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2022

**Safety Imprv at 62 Intersections, Sponsor: Golden Gate HD Key # 20249**

**Description:** This project includes the following safety improvements: Install larger stop signs (30" to 36"), Install stop bars (stop bar on minor roads and short segments of centerline), Install advance warning signs (30" to 36").

**Status:** Funds to start Project Development are anticipated to be obligated in FY2018.

**Project Manager:** Kevin Kuther

**Construction Year:** 2019

**State St Lighting; 16th To 23rd, Sponsor: Ada County HD Key # 20275**

**Description:** This project will install additional street lighting on State Street, between 16th Street and 23rd Street. The segments of the street in between the intersections are not lighted and have a higher nighttime crash rate than the lighted segments.

**Status:** Funds to start Project Development are anticipated to be obligated in FY2018.

**Project Manager:** Kevin Kuther

**Construction Year:** 2019

## Projects under Construction/Beginning Soon (Updated Quarterly)

### **Middle Fork Bridge, Sponsor: Boise County Key # 9521**

**Description:** The superstructure for this project has been redesigned as a steel through-truss. This project was delayed to FY2016 due to public controversy regarding the bridge design.

**Status:** Construction is complete. Final project accounting and payment is being processed.

**Project Manager:** Megan Kautz

**Construction Year:** 2015

### **Pine Rd Bridge, Sponsor: Mountain Home HD Key # 10550**

**Description:** This project will replace the existing bridge structure and bring the approaches to current standards.

**Status:** This project has been awarded and construction is anticipated to begin in July 2017.

**Project Manager:** Megan Kautz

**Construction Year:** 2016

### **Greenhurst Road Signals, Sponsor: City of Nampa Key # 13959**

**Description:** This project includes installing crash reduction countermeasures along Greenhurst Road between Sunnyridge Road and Southside Road to improve overall traffic flow and protect left hand turn movements.

**Status:** Contract work is nearly complete. There is a change order to adjust the Pedestrian Push buttons. It will reorient the direction of the buttons to more closely coincide with other intersections in the City of Nampa jurisdiction.

**Project Manager:** Steve Sprague

**Construction Year:** 2016

### **Canyon Creek Road Shoulders and Signage, Sponsor: Mountain Home HD Key # 18918**

**Description:** This project, between NE Mashburn Road and the Feeder Canal, travels through farmland as well as undeveloped property. To reduce the number of crashes delineators were placed along this segment and the road was widened.

**Status:** Project is substantially complete. We are currently scheduling a final walk-thru and ready to start formal close-out process.

**Project Manager:** Steve Sprague

**Construction Year:** 2016
