

Projects in Design/Development (Updated Quarterly)

E Idaho St & Holly Ave, Sponsor: City of New Plymouth Key # 10555

Description: This project will rehabilitate and widen a total 3,350 ft. of roadway surface to three-lanes and construct new sidewalk, curb and gutter, and storm water drainage system in the City of New Plymouth and Payette County.

Status: The Draft PS&E package has been received and review of the submittal is in progress.

Project Manager: Wayne Herbel

Construction Year: 2017

W 9th St: Pioneer-W Indianhead Rd, Sponsor: City of Weiser Key # 12049

Description: This project will develop plans and specifications for the intersection alignment, pavement maintenance or pavement rehabilitation services. It will replace a functionally obsolete one-lane bridge. The project may include minor widening and right-of-way acquisition.

Status: This project is currently in process of concept development and environmental documentation. The Draft Concept Report has been submitted and reviewed and returned to the consultant for action and Final submittal.

Project Manager: Wayne Herbel

Construction Year: 2019

South 18th St E: 6th to American Legion Blvd, Sponsor: City of Mountain Home Key # 12382

Description: This project will consist of reconstructing the roadway to facilitate a three-lane section, bike lanes, curb, gutter, and sidewalk between 6th Street and American Legion Blvd.

Status: The Draft PS&E submittal has been received from the consultant. Currently waiting on additional funding authorization.

Project Manager: Wayne Herbel

Construction Year: 2018

Farmway Rd/Highway 44, Sponsor: Notus-Parma HD Key # 13054

Description: This project consists of repairing a deteriorating truck bypass route by reconstructing approximately 0.62 miles of the Hwy 44 extension to Farmway Road and improve the surface of approximately 0.87 miles of Farmway Road. It includes installation of guardrail on two concrete bridge crossings over canals.

Status: This project is advertised for bid. The scheduled bid opening is April 18, 2017.

Project Manager: Wayne Herbel

Construction Year: 2017

10th Ave Bridge, Sponsor: City of Caldwell Key # 13055

Description: This project consists of removing and replacing an existing deteriorating bridge over Indian Creek on 10th Avenue in Caldwell.

Status: This project is currently working on the Preliminary Design and environmental documentation.

Project Manager: Wayne Herbel

Construction Year: 2018

E Lake Fork Rd Br, Sponsor: Valley County Key # 13056

Description: This project consists of removing and replacing the East Lake Fork Road Bridge.

Status: The PS&E package has been submitted to ITD. The project has been advertised and the bid opening is scheduled for April 11, 2017

Project Manager: Wayne Herbel

Construction Year: 2019

S. Johns Street Improvements, Sponsor: City of Emmett Key # 13493

Description: This project is located in the City of Emmett on S. Johns Avenue between 4th Street and 12th Street and will consist of reconstruction of S. Johns Avenue of the roadway asphalt, base materials, sidewalk, curb/gutter, and storm water improvements.

Status: The project is currently developing Preliminary Design Plans. The Environmental Document was approved on 11/15/2016.

Project Manager: Wayne Herbel

Construction Year: 2021

Old Hwy 30/Plymouth St Bridge Replacement, Sponsor: Canyon HD Key # 13494

Description: This project will replace the existing bridge.

Status: This project is currently working on the Concept Report. The preferred alignment has been identified and the consultant is working to finalize the Concept Report.

Project Manager: Wayne Herbel

Construction Year: 2022

Peckham Road Rehabilitation, Sponsor: Golden Gate HD Key # 13964

Description: The proposed roadside improvements will increase pedestrian safety and promote traffic in the city.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental document.

Project Manager: Wayne Herbel

Construction Year: 2020

Northside Blvd Signals, Sponsor: City of Nampa Key # 18702

Description: This safety improvement project will install traffic signal crash reduction countermeasures at two traffic signals on Northside Boulevard.

Status: The project is anticipated to have PS&E submitted to ITD by April 28, 2017.

Project Manager: Kevin Kuther

Construction Year: 2017

Cherry Ln, Linder Rd/Meridian Rd, Sponsor: Ada County HD Key # 18717

Description: This project will use Safety funds to install continuous street lighting on Cherry Lane, between Linder Road and Meridian Road. This segment of roadway is part of the Fairview Corridor and vehicle traffic is projected to increase in the years to come. This street lighting project will improve driver safety and reduce nighttime accidents by up to 4.8%.

Status: The project is currently waiting for Final State and Local Agreement for Construction from the Sponsor. PS&E Submittal to ITD to obligate funds and start the bidding process is waiting for this Final Agreement.

Project Manager: Wayne Herbel

Construction Year: 2017

Simco Road Delineators, Sponsor: Mountain Home HD Key # 19090

Description: This project includes improving Simco Road from I-84 to Grand View Road by installing delineators along the roadway.

Status: The project is in process of Final Design and Environmental Documentation.

Project Manager: Kevin Kuther

Construction Year: 2017

Cove Rd Bridge, Sponsor: Washington County Key # 19129

Description: The existing bridge is located on a major collector which serves as the main route west from Weiser along the south side of the Weiser River. The bridge serves as the emergency access route in the event of a temporary closure of the US 95 bridge over the Weiser River which is located approximately 3/4-mile west of the subject structure and results in a 2.75-mile detour. The Cove Road Weiser River Bridge is a 97-year old three-span steel truss structure. The bridge is posted as one-lane and has severe weight restrictions. The superstructure and substructure are both in poor condition with an overall sufficiency rating of 23.3. The width and load restrictions of this structure force agricultural truck traffic to and from the southwest side of Weiser to detour onto US95. This project will design a bridge replacement.

Status: The consultant selection process is complete and contract negotiations are in progress.

Project Manager: Wayne Herbel

Construction Year: 2021

12th Ave S; Sherman to Dewey Beacons, Sponsor: City of Nampa Key # 19396

Description: This project includes installing a pedestrian hybrid beacon on 12th Avenue South (SH 45) at a location between Sherman Avenue and Dewey Avenue. These improvements will increase driver awareness and protect pedestrians and bicyclists with the following improvements: 1) Pedestrian Hybrid Beacon; 2) Lighting; 3) Automatic Pedestrian Signals (APS); 4) Compliant Pedestrian Ramps and 5) Signage & Striping.

Status: The project's PS&E package will be submitted to ITD prior to April 7, 2017. This project is a companion project with 19600 12th St S; 10th St S to 12th St S.

Project Manager: Kevin Kuther

Construction Year: 2017

12th Ave S (SH45); 10th St S to 12th St S, Sponsor: City of Nampa Key # 19600

Description: This project includes installing a pedestrian hybrid beacon on 12th Avenue South (SH 45) at a location between 10th Street South and 12th Street South. These improvements will increase driver awareness and protect pedestrians and bicyclists with the following improvements: 1) Pedestrian Hybrid Beacon; 2) Lighting; 3) Automatic Pedestrian Signals (APS); 4) Compliant Pedestrian Ramps and 5) Signage and Striping.

Status: The project's PS&E package will be submitted to ITD prior to April 7, 2017. This project is a companion project with 19396 12th St S; Sherman to Dewey Beacons.

Project Manager: Kevin Kuther

Construction Year: 2017

Cole Road; Spectrum to S Century Way Medians, Sponsor: Ada County HD Key # 19685

Description: This project includes installing a raised concrete median to replace the existing temporary median on Cole Road between Spectrum Street and South Century Way. The raised concrete will better delineate the median, the left turn pockets and reduce crashes.

Status: The project is currently waiting for Final State and Local Agreement for Construction from the Sponsor. PS&E Submittal to ITD to obligate funds and start the bidding process is waiting for this Final Agreement.

Project Manager: Kevin Kuther

Construction Year: 2017

Old Hwy 30; Goodson to Oasis, Sponsor: Canyon HD Key # 19951

Description: The project will rehabilitate approximately 3.4 miles of Old Highway 30, a major rural collector serving northern Canyon County, as well as southern Payette and Gem Counties. This is the final phase of rehabilitating Old Highway 30 from the vicinity of Caldwell to Payette County.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently.

Project Manager: Wayne Herbel

Construction Year: 2022

Horseshoe Pk Path & SW Ave Impr, New Plymouth, Sponsor: City of New Plymouth Key # 19966

Description: The purpose of the project is to add safe pedestrian and bicycle facilities in Horseshoe Park (Southwest Blvd.) between S. Plymouth Ave. and Southwest Ave. and on the south side of Southwest Ave. beginning at S. Plymouth Ave. and ending at SW 1st Ave. near the west city limits boundary.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design will be sent to the Sponsor in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2019

Sand Hollow Rd; SH52 to BI Canyon, Sponsor: Payette County Key # 20019

Description: This is phase 2 of the improvements on Sand Hollow Road. This phase is 4.7 miles (from Black Canyon Road to Oasis Road). The project includes rehabilitating asphalt pavement (pavement repair and overlay) and upgrading guardrail at existing structures.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently.

Project Manager: Wayne Herbel

Construction Year: 2022

Indian Cr Path Ext to Greenbelt, Caldwell, Sponsor: City of Caldwell Key # 20076

Description: This project will construct a nearly half-mile long 10-foot wide multiple-use asphalt and concrete pathway along Indian Creek, build two (2) pedestrian bridges Indian Creek, build a crosswalk over Simplot Blvd., and construct lighting along the entire pathway system.

Status: LHTAC will administer this project for ITD. Project Development is being advanced from FY2018 to FY2017. State and Local Agreement for Design is being prepared and will be sent to the Sponsor.

Project Manager: Kevin Kuther

Construction Year: 2019

Ola Hwy; Powerline Rd to 2nd Ford Rd, Sponsor: Gem County Key # 20100

Description: The Ola Highway Improvement project is located near the unincorporated Community of Ola in Gem County is anticipated to overlay two miles of existing pavement and pave three miles of existing gravel road to keep paved roads good and also to pave a road which exceeds the ADT for a gravel type surface.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We currently are waiting for design funding.

Project Manager: Wayne Herbel

Construction Year: 2022

Indian Cr Path Ext; Taffy to Peppermint, Nampa, Sponsor: City of Nampa Key # 20141

Description: This project will construct approximately 633 feet of 8-foot-wide, multi-use, asphalt trail for Indian Creek Pathway. The project will also provide for safety and ADA improvements to the crosswalk where Indian Creek Pathway crosses South Kings Road, including Rapid Flashing Beacons (RFB), street lighting, ADA pedestrian ramps, sidewalk/stormwater system repair, thermoplastic striping and signage.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design is being prepared and will be sent to the Sponsor.

Project Manager: Kevin Kuther

Construction Year: 2019

Mission St; Sci To Deinhard Ln, McCall, Sponsor: City of McCall Key # 20146

Description: The Mission Street Rehabilitation project is located in the City of McCall in Valley County is anticipated to include the removal of the existing asphalt surface, widening of the road section, verifying the structural integrity of the base and sub-base, new asphalt pavement, striping, utility relocations and the installation of storm water conveyance and treatment systems to improve the condition of the roadway.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding.

Project Manager: Bryan Martin

Construction Year: 2022

Strike Dam Rd Imprv, Sponsor: Mountain Home HD Key # 20162

Description: This project will improve the sight distances for the safety of motorists. This section of roadway includes improving safety features within five steep grades located between M.P. 100.8 to M.P. 104.1. Blasting is to improve the vertical and horizontal alignment of the road. The roadway will be constructed back to the existing gravel section.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2020

Int Smith Ave & Middleton Rd Signal, Sponsor: City of Nampa Key # 20167

Description: The project will install a traffic signal at the intersection of Smith Avenue and Middleton Road. The project will install crash reduction countermeasures to increase driver awareness, protect pedestrians, improve intersection efficiency and enhance vehicle safety. Improvements include a traffic signal, pedestrian facilities, street lighting, lane widening and the installation of turn lanes.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2020

Old Hwy 30; Old Oregon Trail Rd To E 54th S St, Sponsor: Mountain Home HD Key # 20182

Description: This project intends to rehabilitate approximately 2.1 miles of Old Hwy 30 from the intersection of Old Oregon Trail Road to the Glenns Ferry Highway District line. The project will also include minor shoulder improvements to the roadway.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently.

Project Manager: Wayne Herbel

Construction Year: 2022

Offsys, Eastside Dr Br, Valley Co, Sponsor: Valley County Key # 20230

Description: The East Lake Fork Road project is located north of the City of Donnelly in Valley County and includes widening the 0.55 mile section of roadway, lessen the vertical grade near the SH55 intersection, replace deteriorated culverts at and irrigation canal crossing, acquire ROW and mitigate wetland impacts adjacent to the roadway.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding.

Project Manager: Bryan Martin

Construction Year: 2022

Stc-3945, E Lake Fk Rd; E Lake Fk Cr Br To Sh55, Sponsor: Valley County Key # 20242

Description: This is a rehabilitation project of 0.55 mile long on East Lake Fork Road between Lake Fork Creek Bridge and intersection with SH 55.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding.

Project Manager: Bryan Martin

Construction Year: 2022

Pine St SR2S, Cascade, Sponsor: City of Cascade Key # 20246

Description: This project will construct sidewalks, on-street bicycle facilities, signalization and bicycle amenities.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design has been sent to the Sponsor.

Project Manager: Kevin Kuther

Construction Year: 2018

Safety Imprv at 62 Intersections, Sponsor: Golden Gate HD Key # 20249

Description: This project includes the following safety improvements: Install larger stop signs (30" to 36"), Install stop bars (stop bar on minor roads and short segments of centerline), Install advance warning signs (30" to 36").

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2019

Walk Safe, Cross Safe, Glenns Ferry, Sponsor: City of Glenns Ferry Key # 20261

Description: The proposed project will connect these vacancies in sidewalk with existing ADA accessible ramps and will install rectangular rapid flashing beacons at two of the crosswalks along N. Bannock Street, with one crosswalk at the busy intersection of Old U.S 30 and the second on the southern approach to the school. This project will improve current transportation networks by connecting to existing sidewalk and will provide a safe corridor specific to alternative commuters.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design is being sent to the Sponsor.

Project Manager: Kevin Kuther

Construction Year: 2019

State St Lighting; 16th To 23rd, Sponsor: Ada County HD Key # 20275

Description: This project will install additional street lighting on State Street, between 16th Street and 23rd Street. The segments of the street in between the intersections are not lighted and have a higher nighttime crash rate than the lighted segments.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. We are currently waiting for design funding in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2019

INT Cole Rd and Overland Rd, Boise, Sponsor: Ada County HD Key # 20294

Description: Reconfigure free right turn lanes on all four legs.

Status: The project is in process of Final Design. Environmental documentation is complete.

Project Manager: Kevin Kuther

Construction Year: 2017

Projects under Construction/Beginning Soon (Updated Quarterly)

Middle Fork Bridge, Sponsor: Boise County Key # 9521

Description: The superstructure for this project has been redesigned as a steel through-truss. This project was delayed to FY2016 due to public controversy regarding the bridge design.

Status: Construction is complete. Final project accounting and payment is being processed.

Project Manager: Megan Kautz

Construction Year: 2015

Pine Rd Bridge, Sponsor: Mountain Home HD Key # 10550

Description: This project will replace the existing bridge structure and bring the approaches to current standards.

Status: This project will be starting in the early summer of 2017 and is anticipated to be complete late summer of 2018.

Project Manager: Megan Kautz

Construction Year: 2016

Substation Rd Br., Sponsor: City of Emmett Key # 10551

Description: This project will replace an existing two-lane substandard bridge with a five-lane bridge with sidewalks to cross the Last Chance canal.

Status: Construction is complete. Final project accounting and payment is being processed.

Project Manager: Megan Kautz

Construction Year: 2015

Canyon Creek Road Shoulders and Signage, Sponsor: Mountain Home HD Key # 18918

Description: This project, between NE Mashburn Road and the Feeder Canal, travels through farmland as well as undeveloped property. The number of crashes could be reduced if delineators were placed along this segment and the road was widened, as the current edges are severely broken causing the road to be approximately 19' which is less than the standard Mountain Home Highway District road width of 24' (paved). The current asphalt edge would be removed (1.5' each side), and new base and asphalt would be placed (3' each side).

Status: This project is complete and starting the closeout process.

Project Manager: Kevin Kuther

Construction Year: 2016

Overland Rd & Vista Ave Lighting, Sponsor: Ada County HD Key # 19387

Description: This project includes installing street lighting on the north and east legs of the Vista Avenue/Overland Road intersection to improve driver safety and reduce nighttime crashes.

Status: Working with ACHD to amend the State and Local for Construction.

Project Manager: Kevin Kuther

Construction Year: 2017
