

Projects in Design/Development (Updated Quarterly)

Old Hwy 37, The Narrows, Sponsor: Oneida County Key # 9894

Description: This Old HWY 37, The Narrows roadway improvement portion of the project involves improving and/or realigning the 3.7-mile section of Old Highway 37 that is currently situated within Rock Creek Canyon. The existing roadway in the canyon is a narrow two-lane road with minimal or no shoulders, numerous substandard curves, steep embankments, flooding and undercutting of the roadway by Rock Creek and rock fall are persistent problems which will be addressed and improved as part of this project.

Status: Public Hearing held January 19, 2017. Environmental Assessment is in final edits and approval is being drafted. Preliminary Design Review Meeting held February 7, 2017.

Project Manager: Scott Ellsworth

Construction Year: 2017

E Oneida Street Reconstruction, Sponsor: Franklin County Key # 11244

Description: This project was intended to reconstruct and widen 2.781 miles of existing roadway. Due to funding constraints, 0.75 miles of roadway will be improved creating better sight distance over the hollows. The project includes an urban portion in the City of Preston and a rural portion in the county, creating a city and county partnership. Two crossings of Worm Creek will have vertical sight distance improvements.

Status: Consultant and LHTAC presented options for plan revisions to Sponsor on Wednesday March 22, 2017. County and City are deciding what option to prepare plans and re-bid project.

Project Manager: Scott Ellsworth

Construction Year: 2016

Groveland Rd: SH39 to US26/Pioneer Rd, Sponsor: Bingham County Key # 12445

Description: This project will improve a critical intersection with poor sight distance west of Blackfoot, ID. Groveland Road will be realigned to intersect with US 26.

Status: Final Design is underway. Waiting for final design package for review.

Project Manager: Muhammad Zubery

Construction Year: 2019

Benton St Bridge, Sponsor: City of Pocatello Key # 13119

Description: This project consists of rehabilitating Benton St. Bridge with fiber wrap of columns and repairing the pier caps. An impressed current cathodic protection system is going to be used for corrosion mitigation.

Status: UPRR agreement signed. Waiting for S/L agreement for construction to be executed.

Project Manager: Muhammad Zubery

Construction Year: 2017

Fisher Ave - E Walker St to Bridge St, Sponsor: City of Blackfoot Key # 19247

Description: Fisher Street is an urban arterial and this project includes improving 0.89 miles of it with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

Status: This project is in the ITIP and currently scheduled under Preliminary Development. It is waiting for design funding currently programmed for FY20.

Project Manager: Muhammad Zubery

Construction Year: 2022

Bannock St Reconstruction, Malad City, Sponsor: City of Malad Key # 19622

Description: This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

Status: This project is in the ITIP and currently scheduled for design in FY18 and for construction in FY21

Project Manager: Muhammad Zubery

Construction Year: 2021

Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County Key # 19838

Description: The Dingle East Shore Roadway Improvements project is located north of the City of Donnelly in Bear Lake County and includes Roadway reconstruction/rehabilitation with safety improvements by upgrading existing facilities with new pavement construction and other improvements.

Status: Project is included in the ITIP in Preliminary Development. Design funding is programmed for FY2019.

Project Manager: Muhammad Zubery

Construction Year: 2022

American Falls Bike/Ped Connectivity, Sponsor: City of American Falls Key # 19841

Description: The American Falls Bicycle/Pedestrian Connectivity Project includes Bannock Avenue from Lee Street to Madison Street, Bannock Avenue from Harrison Street to Roosevelt Street and Roosevelt Street from Bannock Avenue to Tyhee Avenue. The project is located in the City of American Falls, south of the Hwy 39 bypass, in Power County.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design sent to LHTAC to be executed.

Project Manager: Kevin Kuther

Construction Year: 2018

Bannock Co Event Center Ped Path, Sponsor: Bannock County Key # 20028

Description: The purpose of the Bannock County Event Center Pedestrian Path is to connect Bench Road, Fairground Drive and Chubbuck Road bike/pedestrian routes together and access two destinations: Bannock County Portneuf Wellness Complex and Bannock County Event Center.

Status: LHTAC will administer this project for ITD. State and Local Agreement for Design will be sent to the Sponsor in FY2018.

Project Manager: Kevin Kuther

Construction Year: 2019

Ridge Crest Elem SR2S, Blackfoot, Sponsor: City of Blackfoot Key # 20184

Description: This project will install approximately 1660 LF of curb and gutter and 5' wide sidewalk on the west side of Airport Road from Wooten Way to Harbor Drive.

Status: LHTAC will administer this project for ITD. Project Development is being advanced from FY2018 to FY2017. State and Local Agreement for Design is being prepared and will be sent to the Sponsor.

Project Manager: Kevin Kuther

Construction Year: 2018

Projects under Construction/Beginning Soon (Updated Quarterly)

Portneuf River Lewis St Bridge, Sponsor: City of Pocatello Key # 12444

Description: This project will replace the existing bridge from 1948 over the Portneuf River in Pocatello.

Status: The project is scheduled to start the first week in May and is anticipated to be complete in October, 2017.

Project Manager: Matt Koster

Construction Year: 2017

Turner Road Penstock Bridge#19175 Repl, Sponsor: Caribou County Key # 13563

Description: This project consists of rehabilitating/reconstructing Turner Road Penstock Bridge.

Status: Construction is complete. Final project accounting and payment is being processed.

Project Manager: Matt Koster

Construction Year: 2015

Merkley Ln/Tanner Ln Intersection, Sponsor: Bingham County Key # 18736

Description: This safety improvement project on a 'T' intersection will raise the intersection elevation about 4.5 ft. to alleviate site obstructions and unfavorable slopes.

Status: Project is complete, going into Closeout.

Project Manager: Kevin Kuther

Construction Year: 2016
