

## Projects in Design/Development (Updated Quarterly)

### **West Glendale Road & Canal Bridge, Sponsor: Blaine County Key # 13998**

**Description:** This project includes upgrading the roadway from .7 miles west of State Highway 75 to Glendale Canal. The project includes replacing structurally deficient Glendale Canal Bridge.

**Status:** The agreement has been negotiated with the design consultant. The development agreement has been prepared and sent to the Consultant and Sponsor for signature.

**Project Manager:** Wayne Herbel

**Construction Year:** 2020

### **River St, Walnut to Galena, Sponsor: City of Hailey Key # 18807**

**Description:** The project consists of numerous safety and circulation improvements to River Street, between Walnut Street and Galena Street.

**Status:** This project is in the ITIP and currently scheduled under Preliminary Development. Design funding is anticipated in FY18.

**Project Manager:** Wayne Herbel

**Construction Year:** 2022

### **Yale Road Stage 4; MP 12.1 to 13.7, Sponsor: Burley HD Key # 19637**

**Description:** This project includes improvement to Yale Road from MP 12.1 to MP 13.7. The two miles of pavement rehabilitation and realignment includes: 1) Roadway ballast to support the increased heavy truck traffic associated with the farm to market operations, 2) Improved horizontal and vertical alignment by removing substandard curves, stop conditions, 90° curves and improve sight distance and overall safety, 3) Widened road and shoulders to meet AASHTO standards and allow for safe passage of vehicles 4) Improve shoulder slopes, ditches, and drainage structures to improve the drainage system.

**Status:** Design consultant selection process has begun. RFIs were sent to short listed consultants. Waiting for response.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2021

### **4100 N Rehabilitation; 2100 E to 2400 E, Sponsor: Filer HD Key # 19672**

**Description:** This project includes rehabilitating the existing 4100 North Road from 2100 E to 2400 E. The highway district is being proactive before the roadway further deteriorates and causes an emergency. The rehabilitation project plans to use a Cement Recycled Asphalt Base Stabilization (CRABS) rehabilitation process to rehabilitate this road and prepare it for the expected traffic volumes.

**Status:** Project Development funding was advanced for this project. The State/Local Agreement for Development was executed on July 17, 2017. The project is currently in the process of preparing the RFI for consultant selection.

**Project Manager:** Wayne Herbel

**Construction Year:** 2021

### **Gannett Rd Sign Imprv, Sponsor: Blaine County Key # 19868**

**Description:** This project will install advance warning signs for intersections/streets and curves, add additional chevron warning signs at curves, and implement corrections to bring signing up to MUTCD standards.

**Status:** Funds to start Project Development will be obligated in FY2018. The State and Local Agreement for this Group Safety Project is being prepared.

**Project Manager:** Amanda LaMott

**Construction Year:** 2018

### **Curve Imprv, Hillsdale HD, Sponsor: Hillsdale HD Key # 20037**

**Description:** This project will improve safety at multiple locations throughout the District to enhance the Warning Signs for road curves and will replace or add new reflective curve warning signs with advisory speed signs, and Chevrons to help direct drivers through the curve.

**Status:** Funds to start Project Development will be obligated in early October 2017. The State and Local Agreement for this Group Safety Project is being prepared to send to the Sponsor.

**Project Manager:** Amanda LaMott

**Construction Year:** 2018

### **3700 N (Cross Co Rd) Intersections, Sponsor: Filer HD Key # 20119**

**Description:** This project will address the lack of compliance by drivers and will add larger 48" stop signs along with 48 inch stop ahead signs and will be mounted on 4x6 wooden posts with metal bracing. Improvements include incorporation of 12 inch stop bars at each intersection.

**Status:** Funds to start Project Development will be obligated in early October 2017. The State and Local Agreement for this Group Safety Project will be prepared shortly.

**Project Manager:** Amanda LaMott

**Construction Year:** 2018

### **Myrtle St Connector, Sponsor: City of Hailey Key # 20137**

**Description:** This project will provide a separated shared-use connection from Main St. to the WRT, provide a safe connection for middle school students, bicyclists and pedestrians to neighborhoods, school, the north end commercial area and public transit and improve tourism access/activity.

**Status:** This project has funds to start Project Development in early FY2018.

**Project Manager:** Amanda LaMott

**Construction Year:** 2019

### **Idahome Rd and 2750 E Rd, Sponsor: Raft River HD Key # 20312**

**Description:** This project is funded through the Freight Program and is to improve approximately 4.2 miles of rural collector roadway by reconstructing and paving. The improvements shall begin at the I-84/Idahome Road Interchange and extend along Idahome Road to the intersection with 2750 E Road then north along 2750 E Road to the north end of the EVC Dairy Operation. The roadway improvements shall be designed for 129,000 lb. vehicles.

**Status:** Consultant has been selected. Scoping meeting with the Sponsor and Consultant has been held. Waiting for complete scope to negotiate design contract.

**Project Manager:** Scott Ellsworth

**Construction Year:** 2019

### **1700 S Rd Bridge, Sponsor: Gooding HD Key # 18973**

**Description:** The 1700 South Road Bridge has a sufficiency rating of 30.9 and is planned to be replaced. The bridge has a 90 degree skew that makes it very dangerous for motorist and trucks trying to travel over the bridge.

**Status:** The Consultant Agreement for Design has been executed and Notice To Proceed has been given on July 31, 2017. The project kick-off meeting was held September 1, 2017. This project is in Conceptual Design.

**Project Manager:** Wayne Herbel

**Construction Year:** 2020

### **North Rd Phase 3, Sponsor: Jerome HD Key # 19114**

**Description:** This project includes reconstructing 1.15 miles of roadway while upgrading the base, widening the pavement, and evaluate installing left turn lanes.

**Status:** NTP has been issued and project kicked off. Topographical survey, geo-technical investigation will commence soon.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2021

### **Golden Valley Rd: 1500 W to 900 W, Sponsor: Oakley HD Key # 19028**

**Description:** This joint project, sponsored by Oakley Highway District and Murtaugh Highway District, includes rehabilitating Golden Valley Road from MP 6 to MP 12. This consists of approximately 6 miles of roadway rehabilitation starting at the intersection of 1500 W Road and Golden Valley Road, and continuing east to the intersection 900 W and Golden Valley Road. The project consists of approximately 2 miles of overlay, 2 miles of Recycled Asphalt Base Stabilization (RABS) rehabilitation, and chip sealing the entire 6 miles of roadway.

**Status:** Due to budgetary constraint the scope of the project has been reduced to four miles. Materials report is being modified. Waiting for the revised concept report.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2021

### **Soldier Road to Camas School Path, Sponsor: Camas County Key # 19904**

**Description:** The proposed project is to construct a paved bike lane along Soldier road from Camas School to the Soldier town site. The total bike path is approximately 1.8 miles. This would allow walking and biking to and from Camas School to Soldier town site. Currently most of the population is north of the school and in Soldier.

**Status:** This project is currently developing Preliminary Design Plans and working on the Environmental Document.

**Project Manager:** Kevin Kuther

**Construction Year:** 2018

### **INT Hankins & Addison Ave Signal, Sponsor: Twin Falls HD Key # 19688**

**Description:** This project includes installing a traffic control signal with illumination. This project is located at the eastern City Limit of Twin Falls.

**Status:** The project is anticipated to have PS&E submitted to ITD by November 2017.

**Project Manager:** Kevin Kuther

**Construction Year:** 2018

### **Intersection & Sign Improvements, Sponsor: Hillsdale HD Key # 19212**

**Description:** This safety corridor project includes installing advance warning signs with solar powered flashing lights and larger stop signs. This project will be located around intersections of Valley School District in addition to other problem areas where vehicles run through stop signs.

**Status:** This project is part of the FY2017 Group Sign Project and is out to bid. Bid Opening in Early October 2017.

**Project Manager:** Amanda LaMott

**Construction Year:** 2017

### **Sign Improvements at 4 Curves, Sponsor: Wendell HD Key # 19240**

**Description:** This project includes installing improved signing at four locations. The signing will include new advance warning signs and the addition of chevrons to delineate the curve better.

**Status:** This project is part of the FY2017 Group Sign Project and is out to bid. Bids will be opened in early October 2017.

**Project Manager:** Amanda LaMott

**Construction Year:** 2017

### **Intersection & Sign Improvements, Jerome HD, Sponsor: Jerome HD Key # 19560**

**Description:** This project includes installing advanced warning signs and larger stop signs for a Safety Corridor. This project will include most of the intersections in the south west corner of the district from the intersection of 500 West to West Road across to the intersection of 100 West to 500 South.

**Status:** This project is part of the FY2017 Group Sign Project and is out to bid. Bids will be opened in early October 2017.

**Project Manager:** Amanda LaMott

**Construction Year:** 2017

**Washington St and Falls Ave, Sponsor: City of Twin Falls Key # 20291**

**Description:** Add retro-reflective back-plates, convert to protected/permissive left turn operation and install lighting.

**Status:** The intent letter to award was mailed out to the contractor on September 22, 2017.

**Project Manager:** Amanda LaMott

**Construction Year:** 2017

**Shoshone St Signals and Turn Bay, Sponsor: City of Twin Falls Key # 20295**

**Description:** Install left turn lane, left turn signals, actuated signals, and exclusive pedestrian phasing.

**Status:** This project has bid and justification of award is being analyzed.

**Project Manager:** Amanda LaMott

**Construction Year:** 2017

## Projects under Construction/Beginning Soon (Updated Quarterly)

### **Adams Gulch Rd, Big Wood River Bridge, Sponsor: Blaine County Key # 12409**

**Description:** This project consists of replacing the single span bridge on Adams Gulch Road over the Big Wood River in Blaine County.

**Status:** This project is currently in construction and about 50% complete. The anticipated completion date is September, 2018.

**Project Manager:** Matt Koster

**Construction Year:** 2017

### **4100 N Safety Improvements, Sponsor: Buhl HD Key # 13539**

**Description:** This safety project includes visual enhancements along the pavement edge by the use of pavement markings.

**Status:** This construction will be delayed until Spring of 2018. Due to flooding that occurred.

**Project Manager:** Kevin Kuther

**Construction Year:** 2015

### **Bob Barton Rd Corridor and 100 S Rd Corridor, Sponsor: Jerome HD Key # 19108**

**Description:** This project includes improving the Bob Barton Road corridor from 100 W Road to South Lincoln and 100 South Road corridor from 500 W Road to US-93 by installing advance warning signs and larger stop signs. This project is part of the FY2016 LHSIP Group Sign Project.

**Status:** Sponsor needed an extension for installation of signs due to weather. An extension has been given until September 1, 2017.

**Project Manager:** Kevin Kuther

**Construction Year:** 2016

### **S Canal Bridge 300 N 95 E, Sponsor: Jerome HD Key # 19779**

**Description:** Bridge replacement over the S-Canal on 300 N near 95 E in Jerome Highway District. All design for this project is being completed under 18672.

**Status:** Construction is complete. Final project accounting and payment is being processed.

**Project Manager:** Megan Kautz

**Construction Year:** 2016
