

Projects in Design/Development (Updated Quarterly)

Robinson Park Rd Br, Latah Co, Sponsor: North Latah County HD Key # 13450

Description: For the work of replacing the Robinson Park Road bridge crossing the South Fork of the Palouse River east of Moscow.

Status: The intent to award letter went out to the contractor C. L. Heilman Company on 3/29/18.

Project Manager: Bryan Martin

Construction Year: 2018

Robinson Park Road Signs & Elevation, Sponsor: North Latah County HD Key # 19536

Description: For work of super-elevating a curve and placing warning signs along STC-4804 Robinson Park Road east of Moscow.

Status: The intent to award letter went out to the contractor C. L. Heilman Company on 3/29/18.

Project Manager: Bryan Martin

Construction Year: 2018

Potlatch Sidewalk Enhancement, PH2, Sponsor: City of Potlatch Key # 19831

Description: The purpose of this project is to connect the elementary school with the junior high school. Having the sidewalk from Ponderosa Drive to Elm Street will give the elementary students that live on Ponderosa Drive a chance to walk to school on a sidewalk rather than walk along the Highway.

Status: This project's PS&E Package has been submitted as of March 2018. This project is currently waiting for Federal FY 19 funding to advertise and bid.

Project Manager: Amanda LaMott

Construction Year: 2019

STC-4792, Beech/Chestnut St Reconstruction, Sponsor: City of Genesee Key # 18770

Description: This project reconstructs Chestnut Street from Jackson Street to Cedar Street. Improvements will include turn lanes, bike lanes, sidewalks, stormwater system repairs, lighting and landscape enhancements.

Status: The project is currently working on the Concept Report, Materials Reports, and Environmental Documentation.

Project Manager: Bryan Martin

Construction Year: 2020

Cherry Lane Bridge, Sponsor: Nez Perce County Key # 9070

Description: This is a bridge replacement project over the Clearwater River on Cherry Lane Road off US12 in Nez Perce County. Roadway approaches, including US12, will be improved as a part of the project.

Status: Project was not funded with current TIGER grants. The project continues to complete preliminary design. Next milestone will be the Design Approval.

Project Manager: Scott Ellsworth

Construction Year: 2022

SMA-7674, Mountain View Road, Sponsor: City of Moscow Key # 13014

Description: This project will widen an existing 24' wide two-lane rural road section to a 36' wide two-lane urban road with bicycle lanes, turn lanes (where warranted), storm drainage improvements, illumination upgrades, curbs, gutter, sidewalks, tree lawns, and a roundabout at the intersection of Mountain View Road and 6th Street.

Status: Phase 2 design Notice-to-Proceed executed on 2/14/18. The project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Bryan Martin

Construction Year: 2023

STC-4715, Clear Creek Bridge, Sponsor: Idaho County Key # 13445

Description: This project consists of replacing a 50 year old bridge which serves as an access point to hundreds of residents, several businesses, recreation and agricultural uses. It is the primary access point to the Nez Perce Tribe's Clear Creek Fish Hatchery. If the bridge were to fail, a substantial detour of over 20 miles through mountainous terrain with steep slopes would be required. This is a vital transportation asset for Idaho County.

Status: Intermediate Design Review for this project is complete. The Consultant is working on revisions to prepare the Final/PS&E Submittal. Awaiting for Environmental Approval before proceeding, anticipate approval 5/2018

Project Manager: Dan Coonce

Construction Year: 2021

STC-4734, Winchester Rd, Evergreen HD, Sponsor: Evergreen HD Key # 13897

Description: This project consists of cement recycled asphalt base stabilization (CRABS), shoulder widening and bituminous surface treatment from Milepost 1.6 to Milepost 6.6.

Status: This project is currently developing Intermediate Design Plans and working on the Environmental Document.

Project Manager: Bryan Martin

Construction Year: 2019

Little Bear Cr Br, Latah Co, Sponsor: City of Troy Key # 13898

Description: This project will replace the bridge, construct a short retaining wall, and improve the approaches.

Status: This project is currently working on Intermediate Design and the Environmental Document is being reviewed by approval agencies.

Project Manager: Bryan Martin

Construction Year: 2019

Lapwai Rd Safety Imprv, Sponsor: Nez Perce County Key # 20150

Description: This project will build a superelevation into this curve section, install guardrail on the outside of the curve to prevent vehicles from driving over a steep embankment and into the adjacent gravel pit, and upgrade warning signage to meet current MUTCD sign standards.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Kevin Kuther

Construction Year: 2019

Southwick Road Safety Improvements, Sponsor: Nez Perce County Key # 20605

Description: The Southwick Road Safety Improvements project is located near Kendrick in Nez Perce County includes the design and construction of 1200 feet of roadway to straighten out a curve, flatten slopes and widen shoulders along this section of roadway to improve safety to reduce/eliminate serious injury crashes and fatalities.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Brian Wright

Construction Year: 2020

SMA-7564, A Street, Moscow, Stg 2, Sponsor: City of Moscow Key # 3546

Description: This project is being developed and managed by ITD District 2.

Status: This project's PS&E package has been submitted to ITD District 2 as of March 2015. The project will be bid in the fall of 2018. The first half of the project will be advance-constructed in 2019 and the remaining construction in 2020. LHTAC will administer the construction.

Project Manager: Bryan Martin

Construction Year: 2019

Orofino Creek Road Bridge, Sponsor: Clearwater County Key # 12019

Description: This project will replace the bridge, provide minor approach work, and replace the stage gage.

Status: The project is in the process acquiring temporary easements and environmental permits for construction. The project will be constructed in FY19.

Project Manager: Bryan Martin

Construction Year: 2019

Paradise Path Upass & Multimodal Ext, Sponsor: City of Moscow Key # 20172

Description: The City of Moscow is proposing a project to enhance alternative transportation options and increase access and safety for travelers in Moscow. The proposed underpass (w/ north and south approaches) on SH-8 at White/Styner Ave utilizes the existing Paradise Creek Bridge infrastructure and new path improvements to provide connections to Paradise Path with links to Latah Trail, Moscow Greenway system, and sidewalk network at White Avenue with connection to the Heron's Hideout path section.

Status: This project's PS&E Package has been submitted to ITD as of February 2018. This project is currently waiting on federal obligation authority to advertise and award by the City of Moscow.

Project Manager: Amanda LaMott

Construction Year: 2018

Salmon River Road Rock Fall Mitigation, Sponsor: Idaho County Key # 19819

Description: The project includes the evaluation of a 10.4 mile section of Salmon River Road from MP 0.0 to MP 10.4 (MP starting at Little Salmon River Bridge).

Status: The Sponsor has requested to modify SLA and awaiting the approval before proceeding with consultant contract.

Project Manager: Dan Coonce

Construction Year: 2018

Main St Ped Imprv, Sponsor: City of Lewiston Key # 20020

Description: The project will improve pedestrian crossings and signing on Main Street, between Brackenbury Square (City Park) and Delsol Lane. The installations of Rectangular Rapid Flashing Beacons (RRFB) at existing pedestrian crossings are proposed at two (2) locations. One of the locations is adjacent to Brackenbury Square. A second RRFB is proposed at Delsol Lane.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Amanda LaMott

Construction Year: 2019

6th St Ped Imprv, Sponsor: City of Moscow Key # 20109

Description: This project will make improvements to this corridor with the installation of ADA compliant curb extensions to reduce the pedestrian crossing length and improve pedestrian visibility. Additionally the project will include the improvement of pedestrian ramps and crosswalks to eliminate gaps in the ADA compliant corridor connecting the University of Idaho to the central business district and high-density residential.

Status: This project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Brian Wright

Construction Year: 2019

INT Graves Cr Rd & Twin House Rd, Sponsor: Cottonwood HD Key # 20202

Description: The safety project will improve the safety of the Graves Creek RD / Twin House RD intersection by installing solar powered beacon lights on the Stop Ahead signs along with installing larger stop signs.

Status: LHTAC will be starting the Project Development for this project in early summer of 2018.

Project Manager: Amanda LaMott

Construction Year: 2018

Dynamic Speed Limit Signs, Sponsor: City of Lapwai Key # 20682

Description: This project will install Dynamic/Variable Speed Warning Signs at multiple locations within the City to improve driver awareness, visibility of roadway conditions and improve driver anticipation.

Status: LHTAC will be starting the Project Development for this project in early summer of 2018.

Project Manager: Amanda LaMott

Construction Year: 2019

Projects under Construction/Beginning Soon (Updated Quarterly)

Southwick and Coyote Grade Guardrail, Sponsor: Nez Perce County Key # 18873

Description: This project will make improvements to a 600 ft. section of Southwick Road; along an approximate 400 ft. radius 90 degree curve. Southwick Road is a two-lane paved roadway with log truck and seasonal farm truck traffic. This project will also make improvements along an approximate 0.25 mile section of Coyote Grade Road. Coyote Grade is a gravel rural local road with an average 20 foot wide travel way. This project is part of the 2016 LHSIP Group Guardrail project.

Status: This project was awarded on 3/27/18 to Railco, LLC.

Project Manager: Megan Kautz

Construction Year: 2017

Greencreek Road Signs & Beacons, Sponsor: Greencreek HD Key # 19260

Description: This project includes installing warning signs with speed advisory plaques and a yield signage system which are solar powered and only light up when a car is sensed via motion detector.

Status: The materials have been delivered and the sponsor has 180 days to install the material.

Project Manager: Kevin Kuther

Construction Year: 2017

Cavendish HWY Signs & Delineators, Sponsor: Clearwater County Key # 19346

Description: This project includes installing chevrons, delineators and flashing beacon advance warning signs: 766 Carsonite delineators/posts, 92 chevron signs/posts and 2 beacon curve advance warning signs/posts.

Status: The materials have been delivered and the sponsor has 180 days to install the material.

Project Manager: Kevin Kuther

Construction Year: 2017

Genesee-Juliaetta Road Improvement, Sponsor: South Latah HD Key # 19971

Description: This project will install w-beam guardrail at two locations along the Genesee-Juliaetta Road and install chevrons and delineators at a third location. These improvements will lower roadway departure fatalities and serious injuries through a systemic application of cost-effective countermeasures at locations that have specific crash types.

Status: This project has been awarded and construction is anticipated to begin spring 2018.

Project Manager: Amanda LaMott

Construction Year: 2018
