

Projects in Design/Development (Updated Quarterly)

Spokane St Rv Br, Sponsor: Post Falls HD Key # 18716

Description: This project includes an epoxy overlay/cathodic protection replacement to the Spokane Street Bridge that will improve a vital connection to the transportation area in Spokane.

Status: The Project has undergone negotiations and consultant contract is awaiting funding for the next phase.

Project Manager: Dan Coonce

Construction Year: 2022

Slaughter House Bridge, Sponsor: Benewah County Key # 18813

Description: The Slough Bridge on St. Joe City Road is a narrow bridge in very poor condition that needs replacing. The bridge has been on the watch list for Benewah County for many years. The guardrails are substandard and because of the narrow width, the rails are damaged from many logging truck impacts. This project is going to replace the existing structure.

Status: The project is currently working on the Concept Report.

Project Manager: Dan Coonce

Construction Year: 2022

Beck Rd; Seltice Way to Prairie Ave, Sponsor: Post Falls HD Key # 19288

Description: This project includes improvement on Beck Road from Seltice Way to Prairie Avenue. This project includes widening the shoulders and a structural overlay.

Status: This project is currently working on the Concept Report.

Project Manager: Dan Coonce

Construction Year: 2022

Wisconsin St; High St to US-2, Sponsor: City of Priest River Key # 19513

Description: This project will realign Wisconsin Street between High Street and US Highway 2.

Status: This project is currently working on the Concept Report.

Project Manager: Dan Coonce

Construction Year: 2021

Ramsey Rd; Chilco to Scarcello, Sponsor: Lakes HD Key # 20038

Description: The proposed grade separation project is a vital transportation link to the rural community between State Highway 54, State Highway 53 and a future connection at Interstate 90 with the completion of the Ramsey Road Extension Project currently in the STIP. The grade separation of the Ramsey Road and the BNSF tracks will improve safety and mobility. The traffic growth combined with existing accident information and planned track expansion make this an essential project.

Status: The Project is currently working on the Concept Report.

Project Manager: Dan Coonce

Construction Year: 2022

Riverview Drive Guardrail Installation, Sponsor: Post Falls HD Key # 19749

Description: This is a high volume roadway with a large number of curves and a large number of severe crashes. This project includes installing guardrail at three locations along Riverview Drive: roughly 650 feet of guardrail and roughly 320 feet of retaining wall.

Status: The project is in process of Final Design and Environmental documentation. Once Environmental Approval is obtained, this project will be able to begin the process of right-of-way acquisition.

Project Manager: Kevin Kuther

Construction Year: 2019

Ramsey Rd; Wyoming Ave To Lancaster Rd, Sponsor: City of Hayden Key # 12310

Description: This project will provide a new connection of Ramsey Road from Wyoming Avenue to Lancaster Road. "Urban" portion only.

Status: Alternative roadway alignments have been tentatively agreed by the Airport and FAA. Consultant scoping and negotiations for a supplemental agreement will begin in July 2018.

Project Manager: Bryan Martin

Construction Year: 2022

Int Meyer Rd & Boekel Rd, Rathdrum, Sponsor: City of Rathdrum Key # 13864

Description: This project consists of improving the intersection of Meyer Road and Boekel Road by constructing a dual-lane roundabout for this intersection.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Bryan Martin

Construction Year: 2023

Railroad Ave, 15th to SH3 Reconstruction, Sponsor: City of St Maries Key # 13873

Description: The purpose of this project is to reconstruct Railroad Avenue between the Potlatch Mill and SH3. This includes a two-lane section with turn lanes at 10th and SH3, retaining wall and stormwater improvements.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Dan Coonce

Construction Year: 2020

Ruby Creek Bridge #2, Sponsor: Boundary County Key # 19046

Description: This project will replace the Ruby Creek Bridge #2. Bridge #2 is crucial because all traffic to a private school (formerly Rocky Mountain Academy) must cross this 15' wide structure. Once replaced, there will be two-way access up the first section of winding road all the way to Administration Lane, where the majority of traffic leaves Ruby Creek Road.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Dan Coonce

Construction Year: 2020

St Joe River Rd Pavement Rehab, Sponsor: Shoshone County Key # 19786

Description: A pavement rehabilitation treatment, such as mill and inlay, will be performed for the length of the St. Joe River Road (FH 50) from milepost 0 to 35. In areas of significant pavement distress, soft spots and/or frost heaves, the roadway will be excavated full depth and repaired. Guardrail will be installed where the clear zone is not adequate to provide a safe recover area for errant vehicles. Additional safety treatments for a significant elk crossing area at approximately milepost 13 to 14 will be evaluated during design.

Status: The Project is currently developing Preliminary Plans and working on the Environmental Document.

Project Manager: Dan Coonce

Construction Year: 2018

Crossport Rd & Cow Cr Rd Guardrail, Sponsor: Boundary County Key # 19846

Description: This project will install guardrail to address overturns and head on accidents on the outside curves. The project will include analysis to determine if continuous guardrail on the outside curves or if guardrail on both sides of the road would be appropriate to address the safety concerns.

Status: The Project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Brian Wright

Construction Year: 2019

Kootenai Cutoff Rd Ped Imprv, Sponsor: City of Ponderay Key # 20211

Description: The project will add Rectangular Rapid Flashing Beacons to a number of the heavily crossed areas along Kootenai Cutoff Road. Each of these crossing areas will also have thermoplastic crossing markings installed to ensure higher visibility for both pedestrians and drivers.

Status: The project is in the process of Final Design and environmental documentation.

Project Manager: Kevin Kuther

Construction Year: 2019

Int Pleasant View Rd & Prairie Ave, Sponsor: Post Falls HD Key # 20402

Description: The Pleasant View Rd and Prairie Ave Intersection Improvements project is located near Post Falls in Kootenai County. This project will reduce the number of angle crashes and will help eliminate crashes within the intersection. A reduction/elimination of serious injury crashes and fatalities should occur with the conversion of the intersection to a roundabout.

Status: This project is currently developing Preliminary Design Plans and working on the Environmental Document.

Project Manager: Kevin Kuther

Construction Year: 2020

Kidd Island Road, Sponsor: Worley HD Key # 12315

Description: This project will reconstruct Kidd Island Road from US 95 to Hull Loop Road.

Status: The project has been delayed for construction 2020. The Project is currently waiting on Final Permits and PS&E Submittal to obligate funds.

Project Manager: Dan Coonce

Construction Year: 2020

Westside Rd, Trout Creek Bridge Replacement, Sponsor: Boundary County Key # 13419

Description: The purpose of this project is to replace the existing, narrow, structurally deficient timber bridge over the South Branch of Trout Creek at Westside Road with a new structure.

Status: The Project is currently waiting on Final Permits and PS&E Submittal to obligate funds.

Project Manager: Dan Coonce

Construction Year: 2019

Pine Creek Bridge Replacement, Sponsor: Shoshone County Key # 13872

Description: The purpose of this project is to repair a structurally deficient bridge on Pine Creek Road over Pine Creek.

Status: Awaiting State and Local Agreement approval.

Project Manager: Dan Coonce

Construction Year: 2019

W Riverview Drive Skalan Creek Widening, Sponsor: Post Falls HD Key # 13874

Description: This project consists of reconstructing River View Drive between Carpenter Loop (W) and Carpenter Loop (E) to provide a wider, safer crossing of Skalan Creek. Roadway section includes 14 ft. lanes, 2 ft. shoulders, guard rails, improved slopes and a culvert extension.

Status: This project is currently in the process of right of way acquisition.

Project Manager: Dan Coonce

Construction Year: 2019

Signs & Delineation, Sponsor: Worley HD Key # 19864

Description: This project will utilize three countermeasures to improve safety along multiple roadways and include adding: Chevrons Signs, Curve Advance Warning Signs and Delineators. These improvements are expected to improve driver awareness, visibility of roadway, changing geometry, and improve driver anticipation.

Status: The project is anticipated to have PS&E submitted in August 2018.

Project Manager: Amanda LaMott

Construction Year: 2018

E Canyon Rd Striping, Sponsor: East Side HD Key # 20474

Description: The East Canyon Road Striping project is located near Coeur d'Alene in Kootenai County and will improve the roadway network safety throughout the project site with the installation of new, permanent edge line markings to reduce/eliminate serious injury crashes and fatalities.

Status: The Project is currently waiting on Final Permits and funding. The PS&E submittal was submitted to LHTAC.

Project Manager: Brian Wright

Construction Year: 2019

Benewah Cr Rd Safety Audit, Sponsor: Benewah County Key # 20223

Description: The study and analysis along a 20-mile long cross-county collector roadway to help the County identify and prioritize improvements.

Status: The Project has undergone negotiations and the consultant contract has been awarded.

Project Manager: Kevin Kuther

Construction Year: 0

Main Street/Silver Valley Rd Bridge over Pine Creek, Sponsor: City of Pinehurst Key # 19292

Description: This project includes replacing the existing Main Street Bridge located over Pine Creek between Silver Street and Seventh Street. The bridge's substructure is in critical condition; the most recent bridge inspection report shows a sufficiency rating of 7.

Status: The Sponsor request to delay the project development.

Project Manager: Dan Coonce

Construction Year: 2022

Pine Creek Rd Bridge over Pine Creek, Sponsor: Shoshone County Key # 19718

Description: This project includes replacing the existing Pine Creek Road Bridge located over Pine Creek in Shoshone County. The bridge's substructure is in critical condition, and the most recent inspection report shows an overall sufficiency rating of 16.5. The steel piles are rusted, the bridge abutments are cracking and the concrete on the southwest wing wall has spalled, exposing rebar. Significant scour has occurred and the bridge railing has also been damaged.

Status: The Sponsor request to delay the project development.

Project Manager: Dan Coonce

Construction Year: 2022

E Hayden Lake Rd, Sponsor: Lakes HD Key # 19906

Description: This project is a systemic approach to addressing runoff the road accidents on the East Hayden Lake Road with the installation of guardrail and shoulder widening at various locations around the lake.

Status: The Project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Brian Wright

Construction Year: 2019

W Fk Pine Cr Rd Br, Sponsor: Shoshone County Key # 20039

Description: The West Fork Pine Creek Road Bridge over Pine Creek project is located near the City of Pinehurst in Shoshone County and includes replacement of the existing single-span concrete bridge.

Status: The Sponsor has requested to delay the project development for the project.

Project Manager: Dan Coonce

Construction Year: 2022

French Gulch/Fernan Hill Rd, Sponsor: East Side HD Key # 20094

Description: The 3.5-mile road section of French Gulch/Fernan Hill Road needs to improve this narrow and poor surface condition. The condition of this road is poor and it needs additional surface treatment to remedy longitudinal cracking, alligator cracking, potholes which all tend to reduce the safety of the road. The project includes overlay, new pavement markings, and additional safety features including signs and guardrail when warranted.

Status: The State and Local Agreement has been executed. We are currently waiting for design funding.

Project Manager: Dan Coonce

Construction Year: 2022

4th St.; Dalton Ave To Prairie Ave, Sponsor: City of Dalton Gardens Key # 20134

Description: This project will reconstruct the road to current design standards and meet FHWA ADA requirements, A020(134)

Status: The State and Local Agreement has been executed. The consultant selection process has been initiated.

Project Manager: Dan Coonce

Construction Year: 0

E Canyon Rd Guardrail, Sponsor: East Side HD Key # 20194

Description: This project will be chip sealed to improve the pavement friction and vehicle control on the roadway along with a short section of guardrail in a curve. The safety countermeasure is anticipated to reduce all types of crashes along with a reduction of road departures with the addition of guardrail.

Status: The Project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Brian Wright

Construction Year: 2019

Rapid Lightning Cr Br #5, Sponsor: Bonner County Key # 20207

Description: This project includes replacing the existing Rapid Lightning Creek Bridge located over Rapid Lightning Creek in Bonner County. Rapid Lightning Creek Bridge has the second lowest sufficiency rating of any bridge in Bonner County. The bridge's substructure is in poor condition and load restricted shows an overall sufficiency rating of 38.8. Additionally, the existing guardrail is deficient and does not meet current standards.

Status: The State and Local Agreement has been executed. We are currently waiting for design funding.

Project Manager: Bryan Martin

Construction Year: 2023

Deep Cr Loop; Jct Us-95 to Lions Den, Sponsor: Boundary County Key # 20215

Description: The project will rehabilitate 3 miles of Deep Creek Loop with a leveling course and overlay. STC-5804 Deep Creek Loop is one of Boundary County's heaviest traveled roadways year round, extending from its south most junction with US 95 in Naples, Idaho, north for 9.5 miles to where it rejoins US 95 near the south City Limits of Bonners Ferry.

Status: The Project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Dan Coonce

Construction Year: 2023

6th St; S FK CDA RV BR, Sponsor: City of Wallace Key # 20383

Description: The Sixth Street Bridge is a single-span concrete bridge that is structurally deficient. Concrete girders have significant spalling and cracking with rebar exposed. The north abutment has abrasion with many voids and is undermined from scour. The bridge railings also have significant

Status: The State and Local Agreement is in the process of being executed.

Project Manager: Dan Coonce

Construction Year: 0

Projects under Construction/Beginning Soon (Updated Quarterly)

Schweitzer Basin Cutoff Road, Sponsor: City of Sandpoint Key # 9171

Description: This project will reconstruct roadway under this key number and phase two (yet to be funded) will replace an existing bridge with a raised, wider structure and construct a roundabout.

Status: Project files have been delivered to LHTAC for closeout. LHTAC staff will be completing final closeout of the project files.

Project Manager: Megan Kautz

Construction Year: 2015

S Fk CDA River Rd Br S of Enaville, Sponsor: Shoshone County Key # 11993

Description: This project is bridge rehabilitation and roadway improvements of CDA River Road near Enaville, Idaho.

Status: Project is in Closeout. ITD DRI is currently reviewing.

Project Manager: Megan Kautz

Construction Year: 2014

Government Way, Hanley Ave to Prairie Ave, Sponsor: City of Coeur d'Alene Key # 12308

Description: This project will widen the two-lane roadway into five-lanes and install sidewalk with ADA sidewalk ramps.

Status: This project is currently in construction and about 45% complete. The anticipated completion date is in October 2018.

Project Manager: Megan Kautz

Construction Year: 2017

E Fernan Lake Rd Safety Improvements, Sponsor: East Side HD Key # 13870

Description: The purpose of this project is to increase road friction, improve centerline striping and chip seal Fernan Lake Road.

Status: The Warranty work is starting today.

Project Manager: Kevin Kuther

Construction Year: 2016

Ramsey Road Union Pacific Railroad Crossing Upgrade, Sponsor: Lakes HD Key # 18755

Description: This safety improvement project consists of installing gates, flashing lights and sound signals to improve safety at this railroad crossing location near the City of Hayden.

Status: Construction has been completed.

Project Manager: Dan Counce

Construction Year: 2017

Intersection Sign & Marking Upgrades, Sponsor: City of Kellogg Key # 19381

Description: This project includes improving signing and markings at four intersections: 1) E Idaho Avenue/Oak Street 2) W Riverside Avenue/Short Street 3) W Cameron Avenue/Hill Street 4) W Cameron Avenue/Bunker Avenue.

Status: The materials have been delivered to the Sponsor and will be installed by September.

Project Manager: Kevin Kuther

Construction Year: 2017

Signing & Delineation, Eastside HD, Sponsor: East Side HD Key # 19617

Description: This project includes installing systemic and safety improvements of chevron signs, delineators and curve advance warning signs: 1) O'Gara Road 2) E Mullan Trail Road 3) Burma Road 4) Fernan Hill Road 5) French Gulch Road 6) S. Latour Creek Road 7) Sunnyside Road

Status: The materials have been delivered to Sponsor and will be installed by September.

Project Manager: Kevin Kuther

Construction Year: 2017

FY17 Durable Pavement Markings, Sponsor: Bonner County Key # 19657

Description: This project includes installing chevrons, delineators and durable pavement markings on thirteen roadways with high severity crashes, high volumes and a large number of curves.

Status: Construction is complete. Final project accounting and payment is being processed.

Project Manager: Amanda LaMott

Construction Year: 2017

Schweitzer Cutoff Bridge, Sponsor: City of Sandpoint Key # 19774

Description: Bridge replacement due to the latest bridge inspection report received 10/19/2015. This project will also reconstruct Schweitzer Cutoff Road from Boyer Rd to the east to the terminus of the previously mentioned road project to the west.

Status: This project is currently at substantial completion. Outstanding items are being addressed by the Contractor. The CE&I Consultant is currently working on Project Closeout.

Project Manager: Megan Kautz

Construction Year: 2017

Maine Street Path, Sponsor: City of Spirit Lake Key # 19908

Description: This project will include an 8' wide multi-use path and adjacent drainage and parking improvements between the path and the traveled way. Currently, along the 1800' project corridor, there is only a small portion that has a sidewalk however it is in disrepair and has been identified as a safety concern.

Status: Construction began July 2018 with anticipated completion of August/September 2018

Project Manager: Amanda LaMott

Construction Year: 2018

Delineators and Signage, St Joe River Rd, Sponsor: Benewah County Key # 20290

Description: This project includes the Installation of chevrons and delineators.

Status: This project is currently at substantial completion. Outstanding items are being addressed by the contractor. The CE&I Consultant is currently working on Project Closeout.

Project Manager: Amanda LaMott

Construction Year: 2017

INT Bottle Bay Road, Sponsor: Bonner County Key # 20297

Description: This project will install left turn lane, a pedestrian tunnel, and resurface pavement.

Status: This project is currently in construction and about 20% complete. The anticipated completion date is September 2018.

Project Manager: Amanda LaMott

Construction Year: 2017

Beacon Installations, Coeur d'Alene, Sponsor: City of Coeur d'Alene Key # 20300

Description: Install RRFB with signing and pedestrian crossing improvements.

Status: Sponsor has installed provided materials. Final project inspection will be scheduled.

Project Manager: Kevin Kuther

Construction Year: 2017

Beacon Installations, Lakes HD, Sponsor: Lakes HD Key # 20301

Description: Install flashing warning beacons.

Status: The materials have been delivered to Sponsor and will be installed by 10/31/18.

Project Manager: Kevin Kuther

Construction Year: 2017
