

SAFETY FEST OF THE GREAT NORTHWEST

Boise, ID

January 22-24, 2019
14th Annual Event

Free Safety Training

OVERVIEW: A free safety and health training event for the education of the northwestern region's front line workers, supervisors and managers of all levels. This event focuses on methods to reduce hazards that may cause fatalities, injuries and illness.

***NEW LOCATION:

Boise State University's Student Union Building

PARKING:

Parking will be available in the garage on site for discounted rate of \$2.50 per day. An email will be sent out prior to the event with this attendee discount code.

HOSTS: Boise State University, St. Luke's Health System, Idaho State Insurance Fund, OSHA-Boise Area Office, Micron, ASSP Snake River Chapter, Idaho AGC, Idaho Transportation Department, Local Highway Technical Assistance Council, University of Washington, Suez, and Tates Rents.

WHO'S INVITED: EVERYONE! Construction, mining and industry contractors, local highway jurisdictions, government employees, professional educators, students and anyone interested in improving their safety knowledge.

REGISTRATION: Online registration opens November 26, 2018 and closes December 14, 2018.

www.safetyfest-boise.org.

TRADE SHOW: We promote the vendor trade show as an opportunity for companies to come out and support Safety Fest, make connection with potential clients, to offer product demonstration and display samples. Vendors will be able to display Tuesday and Wednesday at a cost of \$300 per booth space. Remember there are no sales on site. To reserve your booth space contact dchristensen@LHTAC.org.

OPENING SESSION: *This year's theme: The Art of Selling Safety* featuring a panel of experts discussing how they sell safety to employees, clients, subcontractors, management, government, and the public. Keynote speaker, Tim Page-Bottorff, CSP, CET, and recent recipient of both the ASSP and NSC highest awards, will share techniques on how to inject Humor in Safety – from Blah Blah Blah to Ha Ha **Aha!** This is your chance to learn the latest proven techniques to sell safety in your business!
