

Projects in Design/Development (Updated Quarterly)

S Fisher Ave; E Walker St to Bridge St, Sponsor: City of Blackfoot Key # 19247

Description: Fisher Street is an urban arterial and this project includes improving 0.89 miles of it with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

Status: Consultant has been selected and in process of developing scope of work and negotiations.

Project Manager: Scott Ellsworth

Construction Year: 2025

Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County Key # 19838

Description: The N Beach Road; US-89 to Dingle E Shore Road Pavement Markings/Delineators project is located near the City of St Charles in Bear Lake County and will improve the roadway network safety with the installation of new, permanent edgeline markings, centerline markings, and delineators to reduce/eliminate serious injury crashes and fatalities.

Status: Design consultant has been selected. Agreement is waiting to be executed.

Project Manager: Muhammad Zubery

Construction Year: 2025

N Beach Rd & Dingle E Shore Rd, Sponsor: Bear Lake County Key # 20748

Description: This project will install new permanent edge-line pavement markings, center-line markings and delineators to improve driver awareness, visibility of roadway, changing geometry and improve driver anticipation.

Status: LHTAC will be starting the Project Development for this project in early spring of 2019.

Project Manager: Amanda LaMott

Construction Year: 2019

Bannock St Reconstruction, Malad City, Sponsor: City of Malad Key # 19622

Description: This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

Status: Materials phase reports have been approved. Project design alternatives were presented to the City council. Project charter is being finalized for approval.

Project Manager: Muhammad Zubery

Construction Year: 2023

Center Street Railroad Bridge Underpass Rehab, Sponsor: City of Pocatello Key # 12098

Description: Center Street is depressed under the Union Pacific Railroad (UPRR) tracks in Pocatello, ID. The project improvements are intended to keep the bridge in service for a period of approximately 40 years by repairing and preserving the abutments, replacing the fascia and the portals to the sidewalks, and replacing the retaining walls and sidewalks leading to the undercrossing. Existing roadway and pedestrian lighting at the underpass and along the approach walkways will be upgraded.

Status: Public meeting was held in December. Public Hearing Waiver is being processed. Design Study Report is being reviewed for Design Approval. Once approved, final design will begin.

Project Manager: Scott Ellsworth

Construction Year: 2024

Int Hawthorne & W Quinn Rds, Sponsor: City of Pocatello Key # 12099

Description: Improvements to the intersection of Hawthorne and Quinn Roads will be made. The project will complete roadway improvements at the intersection and install a new traffic signal. New ROW will be required.

Status: Final right of Way plans are being completed. Determining what contract status is for consultant to complete final design.

Project Manager: Scott Ellsworth

Construction Year: 2023

Groveland Rd: SH39 to US26/Pioneer Rd, Sponsor: Bingham County Key # 12445

Description: This project will improve a critical intersection with poor sight distance west of Blackfoot, ID. Groveland Road will be realigned to intersect with US 26.

Status: PS&E package has been delivered. Received 404 permit and ROW certificate. SLA is being executed. Waiting for bidding.

Project Manager: Muhammad Zubery

Construction Year: 2019

Projects under Construction/Beginning Soon (Updated Quarterly)

Old Hwy 37, The Narrows, Sponsor: Oneida County Key # 9894

Description: The Old HWY 37, The Narrows roadway improvement project will improve a 3.7-mile section situated within Rock Creek Canyon. The existing roadway will be widened and curves flattened. Five creek crossings will be upgraded.

Status: The project is anticipated to start in March and will be completed by October 31, 2019.

Project Manager: Matt Koster

Construction Year: 2018

American Falls Pedestrian Connectivity, Sponsor: City of American Falls Key # 19841

Description: The American Falls Bicycle/Pedestrian Connectivity Project includes Bannock Avenue from Lee Street to Madison Street, Bannock Avenue from Harrison Street to Roosevelt Street and Roosevelt Street from Bannock Avenue to Tyhee Avenue. The project is located in the City of American Falls, south of the Hwy 39 bypass, in Power County.

Status: Project has been awarded. Construction will begin Spring 2019.

Project Manager: Kevin Kuther

Construction Year: 2018

Bannock Co Event Center Ped Path, Sponsor: Bannock County Key # 20028

Description: The purpose of the Bannock County Event Center Pedestrian Path is to connect Bench Road, Fairground Drive and Chubbuck Road bike/pedestrian routes together and access two destinations: Bannock County Portneuf Wellness Complex and Bannock County Event Center.

Status: This project was awarded on January 3, 2019 and construction is anticipated to start Spring 2019.

Project Manager: Amanda LaMott

Construction Year: 2019

Ridge Crest Elem SR2S, Sponsor: City of Blackfoot Key # 20184

Description: This project will install approximately 1660 LF of curb and gutter and 5' wide sidewalk on the west side of Airport Road from Wooten Way to Harbor Drive.

Status: This project has been awarded. Construction will begin Summer 2019.

Project Manager: Kevin Kuther

Construction Year: 2018

E Oneida Street Reconstruction, Sponsor: Franklin County Key # 11244

Description: This project will reconstruct and widen 0.75 miles of existing roadway creating better sight distance through the hollows. The project includes an urban portion in the City of Preston and a rural portion in the county, creating a city and county partnership. Two crossings of Worm Creek will have vertical sight distance improvements.

Status: The project is currently in construction and about 20% complete. The anticipated completion date is December 2021.

Project Manager: Matt Koster

Construction Year: 2016

Benton Street Bridge, Sponsor: City of Pocatello Key # 13119

Description: This project consists of rehabilitating Benton St. Bridge with fiber wrap of columns and repairing the pier caps. An impressed current cathodic protection system is going to be used for corrosion mitigation.

Status: This project is approximately 60% complete and construction is shut down for the winter. Project construction is anticipated to restart in April with an anticipated completion date of October, 2019.

Project Manager: Matt Koster

Construction Year: 2017
