

YOU ARE INVITED TO COMMENT

On the FY 2020 - 26 DRAFT
Idaho Transportation Investment Program

Your Safety • Your Mobility • Your Economic Opportunity

The draft Idaho Transportation Investment Program (ITIP) lists proposed projects for the next seven years, and includes programmed improvements to highways, bicycle routes, airports, pedestrian projects, freight, safety projects, bridges and public transportation. The draft ITIP can be viewed at: www.itd.idaho.gov/funding/?target=draft-itip.

The Idaho Transportation Department is offering an interactive map that allows residents to learn about projects that are planned in their areas. To view the map and learn about specific projects, please visit: www.itd.idaho.gov/funding/?target=draft-itip, and click on the graphic of the Idaho map.

Comments are being taken from July 2 through Aug. 2. They can be e-mailed to: adam.rush@itd.idaho.gov. They also can be mailed to:
