

## Projects in Design/Development (Updated Quarterly)

### **Center Street Railroad Bridge Underpass Rehab, Sponsor: City of Pocatello Key # 12098**

**Description:** Center Street is depressed under the Union Pacific Railroad (UPRR) tracks in Pocatello, ID. The project improvements are intended to keep the bridge in service for a period of approximately 40 years by repairing and preserving the abutments, replacing the fascia and the portals to the sidewalks, and replacing the retaining walls and sidewalks leading to the undercrossing. Existing roadway and pedestrian lighting at the underpass and along the approach walkways will be upgraded.

**Status:** Final Design Submittal received July 2, 2019. Review meeting scheduled for July 16.

**Project Manager:** Scott Ellsworth

**Construction Year:** 2026

### **Int Hawthorne & W Quinn Rds, Sponsor: City of Pocatello Key # 12099**

**Description:** Improvements to the intersection of Hawthorne and Quinn Roads will be made. The project will complete roadway improvements at the intersection and install a new traffic signal. New right-of-way will be required.

**Status:** Project is in right-of-way negotiations. Consultant is completing the revised final design plans anticipated to be submitted in Early September.

**Project Manager:** Scott Ellsworth

**Construction Year:** 2023

### **Bannock St Reconstruction, Malad City, Sponsor: City of Malad Key # 19622**

**Description:** This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

**Status:** Project charter approved. Phase one of the design completed. Second phase of design has started with preliminary design work.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2024

### **Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County Key # 19838**

**Description:** The N Beach Road; U.S. 89 to Dingle E Shore Road Pavement Markings/Delineators project is located near the City of St. Charles in Bear Lake County and will improve the roadway network safety with the installation of new, permanent edgeline markings, centerline markings, and delineators to reduce/eliminate serious injury crashes and fatalities.

**Status:** Project kicked off. Preliminary design concept has been presented to the County for review.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2024

### **S Fisher Ave; E Walker St to Bridge St, Sponsor: City of Blackfoot Key # 19247**

**Description:** Fisher Street is an urban arterial and this project includes improving 0.89 miles of it with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

**Status:** Design Agreement Notice to Proceed was given June 6, 2019. Project design kick-off meeting scheduled for July 18, 2019 in Blackfoot.

**Project Manager:** Scott Ellsworth

**Construction Year:** 2026

### **N Beach Rd & Dingle E Shore Rd, Sponsor: Bear Lake County Key # 20748**

**Description:** This project will install new permanent edge-line pavement markings, center-line markings and delineators to improve driver awareness, visibility of roadway, changing geometry and improve driver anticipation.

**Status:** LHTAC will be starting the Project Development for this project in summer of 2019.

**Project Manager:** Amanda LaMott

**Construction Year:** 2019

## Projects under Construction/Beginning Soon (Updated Quarterly)

### **Old Hwy 37, The Narrows, Sponsor: Oneida County Key # 9894**

**Description:** The Old Hwy 37, The Narrows roadway improvement project will improve a 3.7-mile section situated within Rock Creek Canyon. The existing roadway will be widened and curves flattened. Five creek crossings will be upgraded.  
**Status:** The project is currently in construction and 50% complete. The anticipated completion date is October 31, 2019.  
**Project Manager:** Matt Koster  
**Construction Year:** 2018

### **E Oneida Street Reconstruction, Sponsor: Franklin County Key # 11244**

**Description:** This project will reconstruct and widen 0.75 miles of existing roadway creating better sight distance through the hollows. The project includes an urban portion in the City of Preston and a rural portion in the county, creating a city and county partnership. Two crossings of Worm Creek will have vertical sight distance improvements.  
**Status:** The project is currently in construction (settlement phase) and about 25% complete. The anticipated completion date is December 2021.  
**Project Manager:** Matt Koster  
**Construction Year:** 2018

### **Groveland Rd: SH39 to US26/Pioneer Rd, Sponsor: Bingham County Key # 12445**

**Description:** This project will improve a critical intersection with poor sight distance west of Blackfoot, ID. Groveland Road will be realigned to intersect with U.S. 26.  
**Status:** This project has been awarded and construction is anticipated to begin January 2020.  
**Project Manager:** Matt Koster  
**Construction Year:** 2019

### **Benton Street Bridge, Sponsor: City of Pocatello Key # 13119**

**Description:** This project consists of rehabilitating Benton St. Bridge with fiber wrap of columns and repairing the pier caps. An impressed current cathodic protection system is going to be used for corrosion mitigation.  
**Status:** This project is currently in construction and about 70% complete. The anticipated completion date is in December 2019.  
**Project Manager:** Matt Koster  
**Construction Year:** 2017

### **Bannock Co Event Center Ped Path, Sponsor: Bannock County Key # 20028**

**Description:** The purpose of the Bannock County Event Center Pedestrian Path is to connect Bench Road, Fairground Drive and Chubbuck Road bike/pedestrian routes together and access two destinations: Bannock County Portneuf Wellness Complex and Bannock County Event Center.  
**Status:** This project started early May 2019 and the anticipated completion date is late July 2019.  
**Project Manager:** Amanda LaMott  
**Construction Year:** 2019

### **Ridge Crest Elem SR2S, Sponsor: City of Blackfoot Key # 20184**

**Description:** This project will install approximately 1660 Linear feet of curb and gutter and 5 ft. wide sidewalk on the west side of Airport Road from Wooten Way to Harbor Drive.  
**Status:** This project started mid-June 2019 and is anticipated to be complete summer 2019.  
**Project Manager:** Kevin Kuther  
**Construction Year:** 2018
