**Course: L0273**

## Managing Floodplain Development through the National Flood Insurance Program (NFIP)

### Date:

October 21-24, 2019

### Location:

Lewiston, ID

### Course Description:

Hosted by FEMA Region X and the Idaho Department of Water Resources. This course is designed for local officials responsible for administering their local floodplain management ordinance. The course will focus on the National Flood Insurance Program (NFIP) and concepts of floodplain management, maps and studies, ordinances administration, and the relationship between floodplain management and flood insurance.

### Target Audience:

Local officials responsible for administering local floodplain management ordinances, including floodplain management administration, building inspectors, code enforcement/zoning officers, planners, city/county managers, attorneys, engineers, and public work officials. Federal/state/regional floodplain managers are also encouraged to attend. The course is designed for those officials with less than three years of floodplain management experience.

### Funding:

Tuition is free for those accepted; there are no travel/salary stipends available for this offering and all incurred costs are the responsibility of the attendee or sending organization.

### Prerequisites:
