Conversations Launching Change

Discussions targeted to Local Agencies, Tribes
and Federal Land Management Agencies Programs

I thought my smartphone had all of the answers.....

I tried asking my smartphone how to inventory my roads and help me come up with a Capital Maintenance Plan. It didn't understand my question and kept asking me to repeat it.....

Sooooo.... I'm turning to the Center for Local Aid Support for assistance...

Join us for the first session in a two-part series on collecting, managing, and integrating your data into the management of your transportation program.

The first session will focus on a variety of data collection and management techniques, with real-time peer examples and tried and true methods.

Asset Data Management Part 1: Cost Effective Data Collection

Thursday, September 5, 2019
1:00 PM -2:30 PM [EST]

To join the webinar, participants **must register** to participate in the meeting room. Wherever possible, we encourage you to attend from a conference room where everyone can gather as a group.
