

Projects in Design/Development (Updated Quarterly)

Center Street Railroad Bridge Underpass Rehab, Sponsor: City of Pocatello Key # 12098

Description: Center Street is depressed under the Union Pacific Railroad (UPRR) tracks in Pocatello, ID. The project improvements are intended to keep the bridge in service for a period of approximately 40 years by repairing and preserving the abutments, replacing the fascia and the portals to the sidewalks, and replacing the retaining walls and sidewalks leading to the undercrossing. Existing roadway and pedestrian lighting at the underpass and along the approach walkways will be upgraded.

Status: The consultant is revising plans based on the final design review. The City is working with the railroad for review comments and agreement.

Project Manager: Scott Ellsworth

Construction Year: 2026

Int Hawthorne & W Quinn Rds, Sponsor: City of Pocatello Key # 12099

Description: This project will make improvements to the intersection of Hawthorne and Quinn Road. The project will complete roadway improvements at the intersection and install a new traffic signal: New ROW will be required.

Status: The City is in final Right-of-Way negotiations and preparing environmental re-evaluation. Revisions are being made to the plans based on final design review and negotiations.

Project Manager: Scott Ellsworth

Construction Year: 2023

S Fisher Ave; E Walker St to Bridge St, Sponsor: City of Blackfoot Key # 19247

Description: Fisher Street is an urban arterial and this project includes improving 0.89 miles of it with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

Status: A second open house public meeting was held on February 27, 2020. The Concept/Charter Report was approved on March 26, 2020. The Preliminary Plan Submittal has been received and currently being reviewed.

Project Manager: Scott Ellsworth

Construction Year: 2026

Bannock St Reconstruction, Malad City, Sponsor: City of Malad Key # 19622

Description: This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

Status: The second phase of design has started with preliminary design work.

Project Manager: Muhammad Zubery

Construction Year: 2024

Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County Key # 19838

Description: The N Beach Road; US-89 to Dingle E Shore Road Pavement Markings/Delineators project is located near the City of St Charles in Bear Lake County and will improve the roadway network safety with the installation of new, permanent edgeline markings, centerline markings, and delineators to reduce/eliminate serious injury crashes and fatalities.

Status: Continued work is needed on the Environmental Document.

Project Manager: Muhammad Zubery

Construction Year: 2024

N Beach Rd & Dingle E Shore Rd, Sponsor: Bear Lake County Key # 20748

Description: This project will install new permanent edge-line pavement markings, center-line markings and delineators to improve driver awareness, visibility of roadway, changing geometry and improve driver anticipation.

Status: LHTAC is continuing Project Development for this project in Spring 2020.

Project Manager: Amanda LaMott

Construction Year: 2019

W Bridge Street Bridge, Sponsor: City of Blackfoot Key # 22104

Description: This project will replace the West Bridge Street Bridge over the Snake River in Blackfoot because the existing bridge does not serve the needs of Bingham County.

Status: The Request for Proposal for design of the Bridge Street bridge and SH-39 are due to ITD on April 9, 2020. Selection team will review the proposals received.

Project Manager: Scott Ellsworth

Construction Year: 2025

S 5th Avenue Safety Improvements, Sponsor: City of Pocatello Key # 22411

Description: The scope of the S 5th Avenue Safety Improvements project, located in the City of Pocatello, will be accomplished by installing a raised median on 5th Ave from I-15 to Jason Ave, crosswalk on 5th Ave, a rectangular rapid flashing beacon (RRFB) to aid the crosswalk, a sidewalk system on the east side of 5th Ave, Upgrade and improve signing and ADA compliant wheelchair ramps at the four corners of 5th Ave/Jason Ave.

Status: This project is in the ITIP and currently scheduled for Project Development in FY21.

Project Manager: Kevin Kuther

Construction Year: 2022

FY19 Transportation Plan, Blackfoot, Sponsor: City of Blackfoot Key # 22467

Description: This project will prepare a transportation plan for the City of Blackfoot. This will include public outreach, evaluate existing conditions, prepare a Capital Improvement Program, and finalize a transportation plan for the urban area.

Status: The consultant has been selected and currently working on scope of work and negotiations.

Project Manager: Scott Ellsworth

Construction Year: N/A
