

# Zoom Key Features

The image shows a Zoom meeting interface with several callout boxes explaining key features. The main interface is dark-themed, and the chat window on the right is light-themed.

- Choose from different screen views:** A callout box points to the screen view icons (grid, gallery, speaker view) in the top right corner of the meeting controls.
- Mute and unmute your video and microphone here:** A callout box points to the 'Unmute' button in the bottom left corner of the meeting controls.
- Click to see Raise Hand option appear on right side of screen:** A callout box points to the 'Raise Hand' button in the chat window.
- Click to see chat box appear on right hand side of screen:** A callout box points to the 'Chat' button in the bottom center of the meeting controls.
- Exit virtual classroom:** A callout box points to the 'Leave Meeting' button in the bottom right corner of the meeting controls.

The chat window on the right shows the 'Unmute Me' and 'Raise Hand' buttons, a 'Chat' section, and a text input field with a dropdown menu set to 'Everyone'.
