

Projects in Design/Development (Updated Quarterly)

Cherrylane Bridge, Sponsor: Nez Perce County Key # 9070

Description: This is a bridge replacement project over the Clearwater River on Cherrylane Road off US12 in Nez Perce County. Roadway approaches, including US12, will be improved as a part of the project.

Status: Final Design Review for this project is complete. The Consultant is working on revisions to prepare the Plan, Specifications, and Estimate (PS&E) Submittal. This submittal is scheduled for August 2020.

Project Manager: Scott Ellsworth

Construction Year: 2020

Mountain View Rd, Moscow, Sponsor: City of Moscow Key # 13014

Description: This project will widen an existing 24' wide two-lane rural road section to a 36' wide two-lane urban road with bicycle lanes, turn lanes, storm drainage improvements, illumination, curbs, gutter, sidewalks, and a roundabout at the intersection of Mountain View Road and 6th Street.

Status: The Final Design Review for this project is complete. The Consultant is working on revisions to prepare the Plans, Specifications, and Estimate (PS&E) Submittal.

Project Manager: Scott Ellsworth

Construction Year: 2026

STC-4715, Clear Creek Bridge, Sponsor: Idaho County Key # 13445

Description: This project consists of replacing a 50 year old bridge which serves as an access point to hundreds of residents, several businesses, recreation, and agricultural uses. It is the primary access point to the Nez Perce Tribe's Clear Creek Fish Hatchery. If the bridge were to fail, a substantial detour of over 20 miles through mountainous terrain with steep slopes would be required. This is a vital transportation asset for Idaho County.

Status: The projects Plans, Specification, and Estimate (PS&E) package has been submitted and awaiting for the obligation funding to become available.

Project Manager: Dan Coonce

Construction Year: 2021

Beech/Chestnut St Reconstruction, Sponsor: City of Genesee Key # 18770

Description: This project reconstructs Chestnut Street from Jackson Street to Cedar Street, and Beech Street from Chestnut Street to Hazel Avenue. Improvements will include turn lanes, bike lanes, sidewalks, stormwater system repairs, lighting and landscape enhancements.

Status: The preliminary design review meeting has been scheduled for August. Additional funding was approved and the supplemental allowing preliminary design to continue was finalized.

Project Manager: Karissa Nelson

Construction Year: 2021

6th St Ped Imprv, Sponsor: City of Moscow Key # 20109

Description: This project will make improvements to this corridor with the installation of ADA compliant curb extensions to reduce the pedestrian crossing length and improve pedestrian visibility. Additionally the project will include the improvement of pedestrian ramps and crosswalks to eliminate gaps in the ADA compliant corridor connecting the University of Idaho to the central business district and high-density residential.

Status: This project is being combined with two other projects for City of Moscow. Construction for the combined project is scheduled in FY21.

Project Manager: Brian Wright

Construction Year: 2021

3rd St Safety Imprv Ph1, Sponsor: City of Moscow Key # 20483

Description: The Third Street (SH-8) Safety Improvements Phase 1 project, located in the City of Moscow in Latah County, will improve pedestrian/bike safety with the replacement of curb, pedestrian ramps and sidewalk along with the installation of additional roadway lighting to reduce/eliminate serious injury crashes and fatalities.

Status: The project is in process of Final Design and Environmental Documentation.

Project Manager: Brian Wright

Construction Year: 2021

Dynamic Speed Limit Signs, Sponsor: City of Lapwai Key # 20682

Description: This project will install Dynamic/Variable Speed Warning Signs at multiple locations within the City to improve driver awareness, visibility of roadway conditions, and improve driver anticipation.

Status: LHTAC is continuing Project Development for this project in Summer 2020.

Project Manager: Amanda LaMott

Construction Year: 2019

Snake River Avenue Demolay Trail, Sponsor: City of Lewiston Key # 20781

Description: Construct Demolay Trail with signalized crossing.

Status: The State & Local Agreement has been executed and negotiations for a design consultant agreement is underway.

Project Manager: Amanda LaMott

Construction Year: 2021

Sand Rd Br NR Moscow, N Latah HD, Sponsor: North Latah County HD Key # 21986

Description: This project will replace the Sand Road bridge over the South Fork of the Palouse River west of Moscow.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY21.

Project Manager: Scott Wood

Construction Year: 2026

Old Ahsahka Grade, Sponsor: Clearwater County Key # 21996

Description: The Old Ahsahka Grade Guardrail project, located near the City of Ahsahka in Clearwater County, will install roughly 7,000 feet of steel post guardrail adjacent to the steepest embankments. This will help eliminate run off the road possibilities along this 2.5 Mile section of roadway and reduce/eliminate fatal and serious injury crashes for all roadway users.

Status: The State and Local Agreement is in process of being executed. The consultant selection process has been initiated.

Project Manager: Kevin Kuther

Construction Year: 2021

3rd St Safety Imprv Phase 2, Sponsor: City of Moscow Key # 21997

Description: The Third Street Corridor Safety Improvement Phase 2 project, located in the City of Moscow in Latah County, will remove and replace concrete sidewalk, upgrade ADA pedestrian ramps, install curb and gutter, install LED Luminaries and install four high visibility thermoplastic crosswalks to reduce/eliminate fatal and serious injury accidents for all roadway users.

Status: The project is in process of Final Design and Environmental Documentation.

Project Manager: Brian Wright

Construction Year: 2021

INT 21st St & 19th Ave, Sponsor: City of Lewiston Key # 21998

Description: The INT 21st Street & 19th Avenue Signal project, located in the City of Lewiston in Nez Perce County, will install safety improvements which include; widening the eastbound leg of 19th Avenue, widening the northbound leg of 21st Street, reconfiguration of the westbound leg of 19th Avenue, improvements to the signal phasing and timing, addition of advanced video detection and construction of ADA compliant pedestrian crossings. These improvements will help to reduce/eliminate fatal and serious injury accidents for all roadway users.

Status: The Project has undergone negotiations and consultant contract is awaiting approval.

Project Manager: Kevin Kuther

Construction Year: 2021

Thain Rd; Stewart to Cedar, Sponsor: City of Lewiston Key # 22075

Description: This project begins at the top of Thain Grade at the signalized intersection of Thain Rd and Stewart Ave and continues southeast to the 2-way stop controlled intersection of Thain Rd and Cedar Ave. Intersections designated for improvement are Stewart Av (signal), Vista (2-way stop), Preston Ave (2-way stop), Warner Ave (1-way stop), Airway Ave (1-way stop), Burrell Ave (signal) and Cedar Ave (2-way stop). Project scope includes construction of pedestrian curb ramps at 7 intersections totaling 22 ramps & 3 islands with 8 additional ramps; installation of bicycle detection, sharrow marking and signing at signalized intersections of Stewart & Burrell; and necessary removal and relocation of marked crosswalks.

Status: The project is in process of Final Design and environmental documentation.

Project Manager: Kevin Kuther

Construction Year: 2021

Public Ave Corridor Safety Improvement, Sponsor: City of Moscow Key # 22402

Description: The scope of the Public Ave; Polk St to Orchard Ave Improvements project, located in the City of Moscow, will be

accomplished by constructing a concrete splitter island, upgrade the road section, install curb, gutter, and sidewalk, and widen the roadway to eliminate roadside ditches.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY21.

Project Manager: Kevin Kuther

Construction Year: 2022

Gun Club Corridor Safety Audit, Sponsor: Nez Perce County Key # 22403

Description: The scope of the Gun Club Corridor Safety Audit, located in Nez Perce County, will be accomplished by performing a multidisciplinary Road Safety Audit along this roadway to identify potential safety improvements and prioritize short term and long term improvements to reduce/eliminate fatal and serious injury crashes for all roadway users.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY21.

Project Manager: Kevin Kuther

Construction Year: N/A

Lake Road Safety Improvements, Sponsor: Grangeville HD Key # 22404

Description: The scope of the Lake Road Safety Improvements project, located in Idaho County, will be accomplished by improving the rural roadway by redesigning the horizontal and vertical curves.

Status: The consultant selection process has been initiated. Negotiations with the selected Consultant has been initiated.

Project Manager: Kevin Kuther

Construction Year: 2022
