

Projects Under Construction/Beginning Soon (Updated Quarterly)

Idahome Rd and 2750 E Rd, Sponsor: Raft River HD Key # 20312

Description: This project is funded through the Freight Program and is to improve approximately 4.2 miles of rural collector roadway by reconstructing and paving. The improvements shall begin at the I-84/Idahome Road Interchange and extend along Idahome Road to the intersection with 2750 E Road then north along 2750 E Road to the north end of the EVC Dairy Operation. The roadway improvements shall be designed for 129,000 lb. vehicles.

Status: This project is currently at substantial completion. Outstanding items are being addressed by the contractor. The Construction Engineering and Inspection (CE&I) Consultant is currently working on Project Closeout.

Project Manager: Matt Koster

Construction Year: 2019

10th Ave E Sidewalk, Sponsor: City of Jerome Key # 22049

Description: The purpose of this project is to provide a safe route to school for students who use 10th street to access the schools and park. Scope of work includes the installation of 1) curb, gutter and sidewalks, 2) install a bike lane by widening the road, 3) install and upgrade existing street lights, 4) install and upgrade existing crosswalks, and 5) install road cross walk signs.

Status: This project is currently at Substantial Completion. Outstanding items are being addressed by the Contractor. The Construction Engineering and Inspection Consultant is currently working on Project Closeout.
