

Used Computers Available to Idaho Local Agencies

LHTAC has 3 laptops and 7 desktops available to local agencies on a first-come, first-served basis. The limit is one machine per agency but we will take requests for additional machines and donate more if possible.

Please note that the desktop machines are only the tower. There is no monitor, keyboard, mouse, or any other accessories included.

The deadline to request a machine is November 25, 2020.
