

Webinar

Asphalt 101 Materials & Mixes

To register, visit
www.cttp.org/ardot/t2

Course Description:

This 2-hour webinar provides an introduction to asphalt pavements and why they behave the way they do. Material properties and mixture components will be discussed, as well as their relationship to pavement performance. Quality control and recycled materials topics will also be included. PDHs available.

Who should attend?

Crew leaders and members, inspectors, supervisors, decision makers

Laura D. Carter, T² Program Manager – Laura.Carter@ardot.gov (501-569-2380)
Dr. Stacy G. Williams, CTTT Director – sgwill@uark.edu (479-575-3997)
