

Projects in Design/Development (Updated Quarterly)

Mountain View Rd, Moscow, Sponsor: City of Moscow Key # 13014

Description: This project will widen an existing 24' wide two-lane rural road section to a 36' wide two-lane urban road with bicycle lanes, turn lanes, storm drainage improvements, illumination, curbs, gutter, sidewalks, and a roundabout at the intersection of Mountain View Road and 6th Street.

Status: The Plans, Specifications, and Estimate have been received and the project is ready for construction advertisement. The State and Local Agreement has been signed by the Sponsor and this project is waiting for construction funding.

Project Manager: Scott Ellsworth

Construction Year: 2023

STC-4715, Clear Creek Bridge, Sponsor: Idaho County Key # 13445

Description: This project consists of replacing a 50 year old bridge which serves as an access point to hundreds of residents, several businesses, recreation, and agricultural uses. It is the primary access point to the Nez Perce Tribe's Clear Creek Fish Hatchery. If the bridge were to fail, a substantial detour of over 20 miles through mountainous terrain with steep slopes would be required. This is a vital transportation asset for Idaho County.

Status: The project was awarded to the contractor in April and construction will begin shortly.

Project Manager: Dan Coonce

Construction Year: 2021

Beech/Chestnut St Reconstruction, Sponsor: City of Genesee Key # 18770

Description: This project reconstructs Chestnut Street from Jackson Street to Cedar Street, and Beech Street from Chestnut Street to Hazel Avenue. Improvements will include turn lanes, bike lanes, sidewalks, stormwater system repairs, lighting and landscape enhancements.

Status: The Final Design Review is completed. The Design Study Report has been submitted for review. It has been determined that no Right-of-Way acquisition will be needed for this project.

Project Manager: Karissa Nelson

Construction Year: 2022

6th St Ped Imprv, Sponsor: City of Moscow Key # 20109

Description: This project will make improvements to this corridor with the installation of ADA compliant curb extensions to reduce the pedestrian crossing length and improve pedestrian visibility. Additionally the project will include the improvement of pedestrian ramps and crosswalks to eliminate gaps in the ADA compliant corridor connecting the University of Idaho to the central business district and high-density residential.

Status: The project is currently waiting on Final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Brian Wright

Construction Year: 2021

3rd St Safety Imprv Ph1, Sponsor: City of Moscow Key # 20483

Description: The Third Street (SH-8) Safety Improvements Phase 1 project, located in the City of Moscow in Latah County, will improve pedestrian/bike safety with the replacement of curb, pedestrian ramps and sidewalk along with the installation of additional roadway lighting to reduce/eliminate serious injury crashes and fatalities.

Status: The project is currently waiting on Final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Brian Wright

Construction Year: 2021

Snake River Avenue Demolay Trail, Sponsor: City of Lewiston Key # 20781

Description: Construct, improve the grade and provide an all-weather surface for the Demolay Trail from the park on Prospect Avenue with a signalized crossing on Snake River Avenue.

Status: The project is currently waiting on Final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Amanda LaMott

Construction Year: 2021

Sand Rd Br NR Moscow, N Latah HD, Sponsor: North Latah County HD Key # 21986

Description: This project will replace the Sand Road bridge over the South Fork of the Palouse River west of Moscow.

Status: The State and Local Agreement has been executed. We are currently waiting for design funding in FY21.

Project Manager: Amanda LaMott

Construction Year: 2026

Old Ahsahka Grade, Sponsor: Clearwater County Key # 21996

Description: The Old Ahsahka Grade Guardrail project, located near the City of Ahsahka in Clearwater County, will install roughly 7,000 feet of steel post guardrail adjacent to the steepest embankments. This will help eliminate run off the road possibilities along this 2.5-mile section of roadway and reduce/eliminate fatal and serious injury crashes for all roadway users.

Status: This project had Preliminary Design submitted in December 2020. Currently work is being done to complete the Environmental Document.

Project Manager: Kevin Kuther

Construction Year: 2021

3rd St Safety Imprv Phase 2, Sponsor: City of Moscow Key # 21997

Description: The Third Street Corridor Safety Improvement Phase 2 project, located in the City of Moscow in Latah County, will remove and replace concrete sidewalk, upgrade ADA pedestrian ramps, install curb and gutter, install LED streetlights and install four high visibility thermoplastic crosswalks to reduce/eliminate fatal and serious injury accidents for all roadway users.

Status: The project is currently waiting on Final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Brian Wright

Construction Year: 2021

INT 21st St & 19th Ave, Sponsor: City of Lewiston Key # 21998

Description: The intersection 21st Street & 19th Avenue Signal project, located in the City of Lewiston in Nez Perce County, will have numerous safety improvements constructed which include; widening the eastbound leg of 19th Avenue, widening the northbound leg of 21st Street, reconfiguration of the westbound leg of 19th Avenue, improvements to the signal phasing and timing, addition of advanced video detection and construction of ADA compliant pedestrian crossings. These improvements will help to reduce/eliminate fatal and serious injury accidents for all roadway users.

Status: The project is currently waiting on Final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Kevin Kuther

Construction Year: 2021

Public Ave Corridor Safety Improvement, Sponsor: City of Moscow Key # 22402

Description: The scope of the Public Avenue; Polk St to Orchard Avenue Improvements project, located in the City of Moscow, will be accomplished by constructing a concrete splitter island, upgrade the road section, install curb, gutter, and sidewalk, and widen the roadway to eliminate roadside ditches.

Status: Currently work is being done to complete the Environmental Document.

Project Manager: Brian Wright

Construction Year: 2022

Gun Club Corridor Safety Audit, Sponsor: Nez Perce County Key # 22403

Description: The scope of the Gun Club Corridor Safety Audit, located in Nez Perce County, will be accomplished by performing a multidisciplinary Road Safety Audit along this roadway to identify potential safety improvements and prioritize short term and long term improvements to reduce/eliminate fatal and serious injury crashes for all roadway users.

Status: The consultant selection process has been initiated.

Project Manager: Brian Wright

Construction Year: N/A

Lake Road Safety Improvements, Sponsor: Grangeville HD Key # 22404

Description: The scope of the Lake Road Safety Improvements project, located in Idaho County, will be accomplished by improving the rural roadway by redesigning the horizontal and vertical curves.

Status: The project's Environmental Documents and Materials Reports are currently being reviewed. Preliminary Design Submittal will be submitted soon.

Project Manager: Kevin Kuther

Construction Year: 2022

Signing & Guardrail, Sponsor: Clearwater County Key # 22877

Description: Construction of the signing and guardrail project will install LED flashing Ice signs, curve ahead signs, as well as intersection ahead signs at poor visibility locations. Additionally this project will help prevent slide offs by installing guardrail along those roads that steep narrow and winding.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY22.

Project Manager: Kevin Kuther

Construction Year: 2023

Lenore Bridge Feasibility Study, Sponsor: Nez Perce County Key # 22891

Description: This project is to perform a feasibility study for the Lenore Bridge. The feasibility study for this bridge replacement will allow the County to identify potential areas of concern, identify and select preferred replacement for the bridge, plan the construction process and traffic control, and create a plan to move forward.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY22.

Project Manager: Amanda LaMott

Construction Year: N/A

Main St. Sidewalk & Ada, Sponsor: City of Lapwai Key # 22949

Description: This project will remove and replace 920 feet of 8' wide hazardous sidewalks, curbs, gutters, and install six (6) new ADA curb ramps on the east side of Main Street between Willow and Birch Avenues.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY22.

Project Manager: Amanda LaMott

Construction Year: 2022

Projects Under Construction/Beginning Soon (Updated Quarterly)

Winchester Rd, Evergreen HD, Sponsor: Evergreen HD Key # 13897

Description: This project consists of cement recycled asphalt base stabilization (CRABS), shoulder widening and bituminous surface treatment from Milepost 1.6 to Milepost 6.6.

Status: The project is in construction and about 95% complete. The anticipated completion date is in May 2021.

Project Manager: Megan Kautz

Construction Year: 2020

Little Bear Cr Br, Latah Co, Sponsor: City of Troy Key # 13898

Description: This project will replace the existing 6th Street wood bridge over Little Bear Creek, construct a short retaining wall along S. Front Street, and improve the bridge approaches. The proposed structure will be a 58-foot prestressed concrete voided slab bridge, founded on shallow spread footing.

Status: The project is in construction and about 80% complete. The anticipated completion date is in June 2021.

Project Manager: Megan Kautz

Construction Year: 2019

Dynamic Speed Limit Signs, Sponsor: City of Lapwai Key # 20682

Description: This project will install Dynamic/Variable Speed Warning Signs at multiple locations within the City to improve driver awareness, visibility of roadway conditions, and improve driver anticipation.

Status: This project has been awarded and this is a material procurement contract.

Project Manager: Brian Wright

Construction Year: 2019

Thain Rd; Stewart to Cedar, Sponsor: City of Lewiston Key # 22075

Description: This project begins at the top of Thain Grade at the signalized intersection of Thain Rd and Stewart Ave and continues southeast to the 2-way stop controlled intersection of Thain Rd and Cedar Ave. Intersections designated for improvement are Stewart Av (signal), Vista (2-way stop), Preston Ave (2-way stop), Warner Ave (1-way stop), Airway Ave (1-way stop), Burrell Ave (signal) and Cedar Ave (2-way stop). Project scope includes construction of pedestrian curb ramps at 7 intersections totaling 22 ramps & 3 islands with 8 additional ramps; installation of bicycle detection, sharrow marking and signing at signalized intersections of Stewart & Burrell; and necessary removal and relocation of marked crosswalks.

Status: The project is currently in construction and about 30% complete. The anticipated completion date is May 2021.

Project Manager: Kevin Kuther

Construction Year: 2021

A Street, Moscow, Stg 2, Sponsor: City of Moscow Key # 22160

Description: This project will improve the grading and drainage, provide additional right-of-way and rebuilding West A Street from N. Line Street to N. Jackson Street.

Status: This project is currently at substantial completion. Outstanding items are being addressed by the contractor. The CE&I consultant is currently working on project closeout.

Project Manager: Megan Kautz

Construction Year: 2019

Cherry Lane Bridge, Sponsor: Nez Perce County Key # 22638

Description: This is a bridge replacement project over the Clearwater River on Cherrylane Road off US12 in Nez Perce County. Roadway approaches, including US12, will be improved as a part of the project.

Status: The project is currently about 1% complete. The anticipated completion date is Fall 2023.

Project Manager: Megan Kautz

Construction Year: 2020
