

Projects in Design/Development (Updated Quarterly)

Center Street Railroad Bridge Underpass Rehab, Sponsor: City of Pocatello Key # 12098

Description: Center Street is depressed under the Union Pacific Railroad (UPRR) tracks in Pocatello, ID. The project improvements are intended to keep the bridge in service for a period of approximately 40 years by repairing and preserving the abutments, replacing the fascia and the portals to the sidewalks. The retaining walls and sidewalks leading to the undercrossing will also be replaced. Existing roadway and pedestrian lighting at the underpass and along the approach walkways will be upgraded. A pedestrian bridge over Center Street is part of the project.

Status: Final Plans, Specifications, and Estimate for bidding have been submitted. The sponsor is reviewing the State and Local Agreement for Construction. Waiting for construction funding.

Project Manager: Scott Ellsworth

Construction Year: 2025

Int Hawthorne & W Quinn Rds, Sponsor: City of Pocatello Key # 12099

Description: This project will make improvements to the intersection of Hawthorne and Quinn Road. The improvements will include roadway improvements at the intersection and installation of a new traffic signal. New ROW will be required.

Status: Received Plans, Specifications, and Estimate for construction advertisement and waiting for construction funding. Sponsor is reviewing the State Local Agreement for construction.

Project Manager: Scott Ellsworth

Construction Year: 2024

S Fisher Ave; E Walker St to Bridge St, Sponsor: City of Blackfoot Key # 19247

Description: Fisher Street is an urban arterial and this project includes improving 0.89 miles with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

Status: The Plans, Specifications, and Estimate package has been received and is being reviewed. The project is waiting for construction funding.

Project Manager: Scott Ellsworth

Construction Year: 2026

Bannock St Reconstruction, Malad City, Sponsor: City of Malad Key # 19622

Description: This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

Status: The environmental document has been approved. Final design design work continues.

Project Manager: Muhammad Zubery

Construction Year: 2025

Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County Key # 19838

Description: The N Beach Road; US-89 to Dingle E Shore Road Pavement Markings/Delineators project is located near the City of St. Charles in Bear Lake County and will improve the roadway network safety with the installation of new, permanent edgeline markings, centerline markings, and delineators to reduce/eliminate serious injury crashes and fatalities.

Status: The preliminary design is completed. Logical termini for this project has been redefined. Additional environmental work is needed to complete the Environmental Document.

Project Manager: Muhammad Zubery

Construction Year: 2026

SH-39; Thomas to Collins Siding Rd, Sponsor: City of Blackfoot Key # 20424

Description: This project will involve the addition of a two way left turn lane, with a possible roundabout at the intersection of SH-39 and Collins Siding Road. The project will also include a mill and inlay of existing lanes.

Status: This project is located on State Highway 39 while LHTAC is agreement administrator. The consultant has been selected and the Notice to Proceed with design was issued January 15, 2021. A public Meeting was held March 31, 2021. Consultant is preparing the concept/charter report for the project.

Project Manager: Scott Ellsworth

Construction Year: 2026

W Bridge Street Bridge, Sponsor: City of Blackfoot Key # 22104

Description: This project will replace the West Bridge Street Bridge over the Snake River in Blackfoot as the existing bridge does not serve the needs of Bingham County.

Status: This Notice to Proceed was given to the consultant on January 15, 2021. A public meeting was held on March 31, 2021. The consultant is preparing the concept/charter report.

Project Manager: Scott Ellsworth

Construction Year: 2026

S 5th Avenue Safety Improvements, Sponsor: City of Pocatello Key # 22411

Description: The scope of the S 5th Avenue Safety Improvements project, located in the City of Pocatello, will be accomplished by installing a raised median on 5th Avenue from I-15 to Jason Avenue, crosswalk on 5th Avenue, a rectangular rapid flashing beacon (RRFB) to aid the crosswalk, and a sidewalk system on the east side of 5th Avenue. Signing and ADA compliant wheelchair ramps at the four corners of 5th Avenue /Jason Avenue will be upgraded and improved.

Status: The Project is currently waiting on final Permits and Plan, Specifications, and Estimate submittal.

Project Manager: Kevin Kuther

Construction Year: 2022

FY19 Transportation Plan, Blackfoot, Sponsor: City of Blackfoot Key # 22467

Description: A transportation plan for the Blackfoot urban area will be prepared. This will include public outreach, evaluation of existing conditions, and preparation of a Capital Improvement Program. A final transportation plan for the urban area will be completed.

Status: A draft plan has been discussed with the City Transportation Commission. The report will be revised based on the Commission's comments.

Project Manager: Scott Ellsworth

Construction Year: N/A

W Carson St, Portneuf River Drive, Sponsor: City of Pocatello Key # 22597

Description: This project will replace the Carson Street bridge (ITD Bridge Key 21375) over the Portneuf River in Pocatello. This bridge replacement is part of a Complete Highway Bridge Program grant and is bundled with seven bridges in southern Idaho. The new bridge will be a single-span and constructed with prestressed voided slabs.

Status: The Design Study report has been approved. Final design is underway.

Project Manager: Scott Wood

Construction Year: 2021

St Charles Creek Bridge, Sponsor: Bear Lake County Key # 22598

Description: This project will replace the bridge over St. Charles Creek on the Jericho Loop Road (ITD Bridge Key 22253) in Bear Lake County. This bridge replacement is part of a Complete Highway Bridge Program grant and is bundled with seven bridges in southern Idaho. The new bridge will be a single-span and constructed with prestressed voided slabs.

Status: The Design Study report has been approved. Final design is underway.

Project Manager: Scott Wood

Construction Year: 2021

Pedestrian Crossings, Sponsor: City of Pocatello Key # 22883

Description: This project will construct improved pedestrian crossings along two principle arterial roads with the installation of bulb outs and curb ramps at twelve intersections along Main Street and will install Rectangular Rapid Flash Beacons(RRFB), bulb out/curb ramps adjacent to Pocatello High School to establish highly visible pedestrian crossings.

Status: This project is in the Idaho Transportation Investment Program (ITIP) and is currently waiting for Project Development funds in FY22.

Project Manager: Kevin Kuther

Construction Year: 2023

Projects Under Construction/Beginning Soon (Updated Quarterly)

E Oneida Street Reconstruction, Sponsor: Franklin County Key # 11244

Description: This project will reconstruct and widen 0.75 miles of existing roadway creating better sight distance through the hollows. The project includes an urban portion in the City of Preston and a rural portion in the County; creating a City and County partnership. Two crossings of Worm Creek will have vertical sight distance improvements.

Status: The project is about 70% complete and the anticipated completion date is December 2021

Project Manager: Matt Koster

Construction Year: 2018

Groveland Rd: SH39 to US26/Pioneer Rd, Sponsor: Bingham County Key # 12445

Description: This project will improve a critical intersection with poor sight distance west of Blackfoot, ID. Groveland Road will be realigned to intersect with US 26.

Status: This project is currently at substantial completion. Outstanding items are being addressed by the contractor. The Construction Engineering and Inspection (CE&I) Consultant is currently working on project close-out.

Project Manager: Matt Koster

Construction Year: 2019

N Beach Rd & Dingle E Shore Rd, Sponsor: Bear Lake County Key # 20748

Description: This project will install new permanent edge-line pavement markings, center-line markings and delineators to improve driver awareness, visibility of roadway, changing geometry and improve driver anticipation.

Status: The project is currently in Construction. The anticipated completion date is Summer 2021.

Project Manager: Brian Wright

Construction Year: 2019
