

## **District 5 Projects in Design Phase**

### **Quarterly Update April through June 2022**

#### **Center Street Railroad Bridge Underpass Rehab, Sponsor: City of Pocatello, Key #: 12098**

**Description:** Center Street is depressed under the Union Pacific Railroad (UPRR) tracks in Pocatello, ID. The project improvements are intended to keep the bridge in service for a period of approximately 40 years by repairing and preserving the abutments, replacing the fascia and the portals to the sidewalks. The retaining walls and sidewalks leading to the undercrossing will also be replaced. Existing roadway and pedestrian lighting at the underpass and along the approach walkways will be upgraded. A pedestrian bridge over Center Street is part of the project.

**Status:** The Plans, Specifications, and Estimate (PS&E) are complete. The sponsor has completed negotiations with the railroad and is finalizing the construction permit. The project is programmed for construction in Fiscal Year 2025

**Project Manager:** Matt Koster

**Construction Year:** 2025

#### **Int Hawthorne & W Quinn Rds, Sponsor: City of Pocatello, Key #: 12099**

**Description:** This project will make improvements to the intersection of Hawthorne and Quinn Road. The improvements will include roadway improvements at the intersection and installation of a new traffic signal. New right-of-way will be required.

**Status:** The consultant has submitted the project Plans, Specifications, and Estimate (PS&E) package to LHTAC in April 2020. This project is currently waiting for 2024 construction funding.

**Project Manager:** Matt Koster

**Construction Year:** 2024

#### **S Fisher Ave; E Walker St to Bridge St, Sponsor: City of Blackfoot, Key #: 19247**

**Description:** Fisher Street is an urban arterial and this project includes improving 0.89 miles with new curb, gutter, sidewalks, and drainage between Alice and Walker Streets.

**Status:** The Project Consultant is currently working on Final Permits and Plan, Specifications, and Estimate (PS&E) Submittal so that construction funds can be obligated. Project plans are being revised for a shift in roadway alignment.

**Project Manager:** Kevin Kuther

**Construction Year:** 2023

## **District 5 Projects in Design Phase**

### **Quarterly Update April through June 2022**

#### **Bannock St Reconstruction, Malad City, Sponsor: City of Malad, Key #: 19622**

**Description:** This project includes reconstructing 0.7 miles of Bannock Street, which runs through the center of the city. A major water system upgrade in the recent past has left this route with many utility patches. The roadway needs a complete reconstruction to reestablish a proper pavement section.

**Status:** The consultant received supplemental agreement notice to proceed. Final design work resumed.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2025

#### **Dingle E Shore; Beach to Cemetery, Sponsor: Bear Lake County, Key #: 19838**

**Description:** The N Beach Road; US-89 to Dingle E Shore Road Pavement Markings/Delineators project is located near the City of St. Charles in Bear Lake County and will improve the roadway network safety with the installation of new, permanent edgeline markings, centerline markings, and delineators to reduce/eliminate serious injury crashes and fatalities.

**Status:** The preliminary design is completed. Additional environmental work has begun to complete the Environmental Document. Coordination with Bear Lake National Wildlife Refuge completed. Environmental document preparation continued.

**Project Manager:** Muhammad Zubery

**Construction Year:** 2027

#### **SH-39; Thomas to Collins Siding Rd, Sponsor: City of Blackfoot, Key #: 20424**

**Description:** This project will involve the addition of a two-way left turn lane, with a possible roundabout at the intersection of SH-39 and Collins Siding Road. The project will also include a mill and inlay of existing lanes.

**Status:** Preparing final agreement for approval and signatures for Phase 2 design through Plans, Specifications, & Estimate (PS&E).

**Project Manager:** Scott Wood

**Construction Year:** 2026

#### **W Bridge Street Bridge, Sponsor: City of Blackfoot, Key #: 22104**

**Description:** This project will replace the West Bridge Street Bridge over the Snake River in Blackfoot as the existing bridge does not serve the needs of Bingham County.

**Status:** Preparing final agreement for approval and signatures for Phase 2 design through Plans, Specifications, & Estimate (PS&E).

**Project Manager:** Scott Wood

**Construction Year:** 2027

## **District 5 Projects in Design Phase**

### **Quarterly Update April through June 2022**

#### **S 5th Avenue Safety Improvements, Sponsor: City of Pocatello, Key #: 22411**

**Description:** The scope of the S 5th Avenue Safety Improvements project, located in the City of Pocatello, will be accomplished by installing a raised median on 5th Ave from I-15 to Jason Ave, crosswalk on 5th Ave, a rectangular rapid flashing beacon (RRFB) to aid the crosswalk, and a sidewalk system on the east side of 5th Ave. Signing and ADA compliant wheelchair ramps at the four corners of 5th Ave/Jason Ave will be upgraded and improved.

**Status:** The consultant has submitted the project Plan, Specifications, and Estimate (PS&E) package to LHTAC.

**Project Manager:** Kevin Kuther

**Construction Year:** 2022

## District 5 Projects in Construction Phase Quarterly Update April through June 2022

### **E Oneida Street Reconstruction, Sponsor: Franklin County, Key #: 11244**

**Description:** This project will reconstruct and widen 0.75 miles of existing roadway creating better sight distance through the hollows. The project includes an urban portion in the City of Preston and a rural portion in the County; creating a City and County partnership. Two crossings of Worm Creek will have vertical sight distance improvements.

**Status:** The project is currently in construction and approximately 80% complete. The anticipated completion date is November 2022.

**Project Manager:** Matt Koster

**Construction Year:** 2018

### **W Carson St, Portneuf River Drive, Sponsor: City of Pocatello, Key #: 22597**

**Description:** This project will replace the Carson Street bridge (ITD Bridge Key 21375) over the Portneuf River in Pocatello. This bridge replacement is part of a Competitive Highway Bridge Program grant and is bundled with seven bridges in southern Idaho. The new bridge will be a single-span and constructed with prestressed voided slabs.

**Status:** The construction will be starting in November 2022 and is anticipated to be complete in Spring 2023.

**Project Manager:** Jayme Coonce

**Construction Year:** 2021

### **St Charles Creek Bridge, Sponsor: Bear Lake County, Key #: 22598**

**Description:** This project will replace the bridge over St. Charles Creek on the Jericho Loop Road (ITD Bridge Key 22253) in Bear Lake County. This bridge replacement is part of a Competitive Highway Bridge Program grant and is bundled with seven bridges in southern Idaho. The new bridge will be a single-span and constructed with prestressed voided slabs.

**Status:** The construction will be starting in August 2022 and is anticipated to be complete this winter.

**Project Manager:** Jayme Coonce

**Construction Year:** 2021
