FINANCES

- **Leading Idaho Local Bridge Expenditures for March - \$14.5 Million**
- **Total Construction Costs - \$86.9 Million**
- **Fiscal Year to Date - \$90.1 Million**
- **Total Money Spent - \$214.8 Million**

Completed four bridge projects and awarded five new construction contracts totaling **\$12.4 million**, along with 11 consulting contracts for design, permitting, and inspections valued at **\$1.1 million**.

INSIGHT

- Partnered with ACHD to support a rapid turnaround in the design process for the Eckert Road Bridge project.
- Maintained coordination efforts to navigate permitting requirements and keep the project progressing efficiently.

LAST MONTH

Kimble Ave over Indian Creek

Demolition has begun on the Kimball Avenue Bridge over Indian Creek, making way for a new, safer structure for downtown Caldwell.

PROJECT

Tower Road over Idaho Canal

A new, wider bridge will replace the outdated structure to improve safety, access, and support future growth, such as improved shoulders for pedestrians.
