FINANCES

- **Leading Idaho Local Bridge Expenditures for April - \$7.3 Million**
- **Active Construction Commitment - \$83 Million**
- **Fiscal Year to Date - \$97.4 Million**
- **Total Money Spent - \$222.2 Million**

Completed 15 bridge projects and awarded seven new construction contracts totaling **\$13.8 million**, along with ten consulting contracts for design, permitting, and inspections valued at approximately **\$1 million**.

INSIGHT

- The program surpassed **100** completed bridges, with 15 finished in April alone.
- In April, 1 Idaho Department of Water Resources permit was secured, with 5 applications submitted (4 IDWR and 1 under Section 404 of the Clean Water Act).

LAST MONTH

Boise Street over Payette River

The bridge replacement is to improve safety and efficiency, featuring a new two-lane structure, upgraded approaches, and enhanced roadway alignment.

PROJECT

Hexon Road Bridge over Boise River

The Hexon Bridge replacement marked the program's 100th completed bridge project. This significant milestone was celebrated with a ribbon-cutting at the new bridge.
