FINANCES

- Leading Idaho Local Bridge Expenditures for July - **\$8.8 Million**
- Active Construction Commitment - **\$70 Million**
- Fiscal Year to Date - **\$8.8 Million**
- Total Money Spent - **\$248.3 Million**

INSIGHT

Staff will project program expenditures for the remainder of the program at the September Council meeting. Construction activity is expected to remain steady, with about 40 projects underway over the next six months.

LAST MONTH

Completed three bridge projects and awarded two new construction contracts totaling \$2 million, along with seven consulting contracts for design, permitting, and inspections valued at approximately \$1 million.

PROJECT

10th Ave Bridge over Union Pacific Railroad

The 10th Avenue Overpass in Caldwell has undergone repairs to address structural deterioration, providing a cost-saving solution while supporting ongoing I-84 corridor improvements.
